SUBJ: **Installation of a "No Parking" zone on the grass on both sides of Finley Avenue from Greenacre Road extending south to the east property line of 2618 Cloudcroft Drive**

A concerned citizen has requested that a "No Parking" zone be established on the grass on both sides of Finley Avenue from Greenacre Road extending south to the east property line of 2618 Cloudcroft Drive.

The citizen has requested no parking on the grass due to pedestrian safety issues caused by vehicles parking on the grass and blocking the pedestrian walking area, as well as damage to the grass. A ballot was mailed to the property owners impacted by this request and 69 percent of the property owners approve the "No Parking" zone.

Staff recommends approval of the establishment of a "No Parking" zone on the grass on both sides of Finley Avenue from Greenacre Road extending south to the east property line of 2618 Cloudcroft Drive.

**Action Requested: Approval of a "No Parking" zone installation on the grass on both sides of Finley Avenue from Greenacre Road extending south to the east property line of 2618 Cloudcroft Drive. District 1.**
