Personal History: I have been a resident of the city of Orlando and Orange County since 1984. After emigrating from Pakistan with my parents, I was fortunate that we made Central Florida our home. I am a product of the public school system having attended Palmetto Elementary, Dr. Phillips Elementary, Westridge Middle and Dr. Phillips High School. As the father of 3 young children going through the public school system and part of a large family that is deeply rooted in the County I have very strong vested interest in the success of our community. Additionally, my family has been operating small businesses in the I-drive area since the mid 80's. We have profited from the local tourism industry and are proud to contribute our small part in it success. I owe a lot to this community and I believe with my experience with the community as well as my educational background and professional work experience in Federal contracting, tourism and the aviation industries, I can make a valuable contribution as an Advisory Board Member. Thank you for your time and consideration.

Personal History: I have been a resident of the city of Orlando and Orange County since 1984. After emigrating from Pakistan with my parents, I was fortunate that we made Central Florida our home. I am a product of the public school system having attended Palmetto Elementary, Dr. Phillips Elementary, Westridge Middle and Dr. Phillips High School. As the father of 3 young children going through the public school system and part of a large family that is deeply rooted in the County I have very strong vested interest in the success of our community. Additionally, my family has been operating small businesses in the I-drive area since the mid 80's. We have profited from the local tourism industry and are proud to contribute our small part in it success. I owe a lot to this community and I believe with my experience with the community as well as my educational background and professional work experience in Federal contracting, tourism and the aviation industries, I can make a valuable contribution as an Advisory Board Member. Thank you for your time and consideration.
