SUBJECT: Aviation Noise Abatement Committee Nominations  
**CONSENT AGENDA ITEM SEPTEMBER 11, 2018**

The Aviation Noise Abatement Committee (ANAC) was established by interlocal agreement between Orange County and the Greater Orlando Aviation Authority (GOAA) on November 1, 1977. ANAC makes recommendations for establishing noise abatement procedures and monitors the implementation of such procedures. Orange County nominates all local government representatives for appointment, including those from the City of Orlando and Osceola County. GOAA makes the appointments.

There are two vacancies on ANAC due to the resignation of Sarah R. Goodwin (representative of a municipal noise-impacted area - Belle Isle/Edgewood) and the term expiration/ineligibility of Eric Spaulding (representative of an unincorporated noise-impacted area - Conway). Mr. Spaulding does not live in unincorporated Orange County. Commissioner Clarke would like to nominate Anthony P. Carugno to succeed Ms. Goodwin with a term expiring April 4, 2019.

A copy of Mr. Carugno's advisory board application for appointment is available upon request.

**ACTION REQUESTED:** Approval of the nomination for appointment by the Greater Orlando Aviation Authority to the Aviation Noise Abatement Committee of Anthony P. Carugno in the representative of a municipal noise impacted area of Orange County (Belle Isle/Edgewood) category with a term expiring April 4, 2019.
