SUBJ: Installation of "No Parking" Zones on the curves of Rex Hill Trail

A concerned citizen in the Robinson Hills UT 5 subdivision has requested that "No Parking" zones be established on the curves of Rex Hill Trail.

Orange County Traffic Engineering Division has determined that parking of vehicles in the curves is causing a traffic hazard to homeowners and the safe movement of emergency vehicles due to sight restrictions. The Traffic Engineering Division is requesting "No Parking" zones be established on Rex Hill Trail on the curves to eliminate the sight restrictions.

Staff recommends that the Board approve the installation of "No Parking" zones on the curves of Rex Hill Trail on both sides of the roadway.

Action Requested: Approval of "No Parking" Zones installation on the curves of Rex Hill Trail on both sides of the roadway. District 2.
