

Interoffice Memorandum

September 4, 2018

TO: Mayor Teresa Jacobs
and Board of County Commissioners

FROM: Mark V. Massaro, P.E., Director, Public Works Department

CONTACT PERSON: Christine N. Lofye, P.E., Manager
Traffic Engineering Division

PHONE NUMBER: (407) 836-7890

SUBJ: Installation and replacement of "No Parking" signs in the Tanner Crossings subdivision

Residents of the Tanner Crossings subdivision requested that the Orange County Fire Rescue Department and the Orange County Traffic Engineering Division evaluate the current parking plan for the safe maneuver of emergency vehicles and school buses in the Tanner Crossings subdivision.

The Orange County Fire Rescue Department and the Orange County Traffic Engineering Division have determined that the current parking plan is inadequate and is creating congested and unsafe conditions for the residents of the subdivision when vehicles are parked on both sides of the street. Orange County Traffic Engineering Division has created a new plan for the modification to the current "No Parking" signage in the subdivision.

Staff and the Fire Marshal recommend the following no parking modifications:

- Kristenright Lane - Replace "No Parking" from 12:00AM to 8:00AM signs on one side of the street with "No Parking Anytime" signs.
- Shawn Circle - Install "No Parking Anytime" signs on one side of the street.
- Lisalynne Court, Kaiser Court, and Chloe Court - Replace "No Parking from 12:00AM to 8:00AM" signs on both sides of the street with "No Parking Anytime" signs.

The Orange County Fire Rescue Department and the Orange County Traffic Engineering Division are requesting that the Board approve the installation and replacement of "No Parking" signs in Tanner Crossings subdivision.

Action Requested: Approval of "No Parking" signs installation and replacement in the Tanner Crossings subdivision. District 5.
