Consent Agenda – October 16, 2018

The EMS Office of the Medical Director requests approval of the Florida Department of Health, Bureau of Emergency Medical Services 2018-2019 EMS County Grant Award Application. Proceeds from this grant are used to provide enhancements to the countywide EMS System and in the past have included items such as the implementation of a countywide EMS computer system, the placement of automatic external defibrillators throughout the county, and the development of a customer-driven, long-range Strategic Plan. In addition to the Orange County Fire Rescue Department, all municipal and private EMS agencies participate in the grant process.

The proposed budget for the county grant award is developed and approved by the EMS Advisory Council. Proceeds from this year's grant will be used to purchase medical and training equipment, automatic external defibrillators, and other miscellaneous supplies and equipment.

Funding for the grant is derived from proceeds in the EMS Trust Fund, and the actual amount received is based upon fines paid into the trust fund. The grant award will be a one payment process. The total amount to be received is \$181,907.

ACTION REQUESTED Approval and execution of Florida Department of Health Emergency Medical Services Program EMS County Grant Application for 2018-2019 in the amount of \$181,907 and approval for the County Mayor or designee to sign for the award payment.
