SUBJECT: **Work Session Item – October 30, 2018**
Amendment of Resolution No. 97-M-03 for Citizens' Commission
for Children

On September 19, 1988, the Board created the Orange County Ad Hoc Citizens' Commission for Children pursuant to Resolution No. 88-M-42; and the work of said Committee resulted in the creation of a permanent Citizens' Commission for Children ("Commission") on August 7, 1989, by Resolution No. 89-M-48. On January 28, 2007, the Board adopted Resolution No. 97-M-03, which added an additional member to the Commission and provided for the submission of reports on an annual basis.

The proposed amendment will increase the membership of the Commission by adding four new members, update the meeting requirements, and require the Commission to endeavor to meet with the Citizens' Review Panel for Human Services at least twice a year.

ACTION REQUESTED: Approval and execution of Resolution of the Orange County Board of County Commissioners regarding the Citizens' Commission for Children; amending Resolution 97-M-03; increasing the number of members; allowing for the creation of subcommittees; updating meeting requirements; and providing an effective date.
