SUBJ: **Increase speed limit on Wyndham Lakes Boulevard from the roundabout to Caneel Bay Boulevard from 25 mph to 35 mph and remove stop signs on Wyndham Lakes Boulevard at Brewton Lane/Callaway Drive**

A concerned citizen has requested the County evaluate the 25 mph posted speed limit on Wyndham Lakes Boulevard from the roundabout to Caneel Bay Boulevard, as well as the stop signs on Wyndham Lakes Boulevard at Brewton Lane/Callaway Drive. The citizen believes the current posted 25 mph speed limit is too low and is concerned about the safety and operation of the roadway. The citizen also believes the stop signs on Wyndham Lakes Boulevard at Brewton Lane/Callaway Drive are not warranted and violate drivers' expectations.

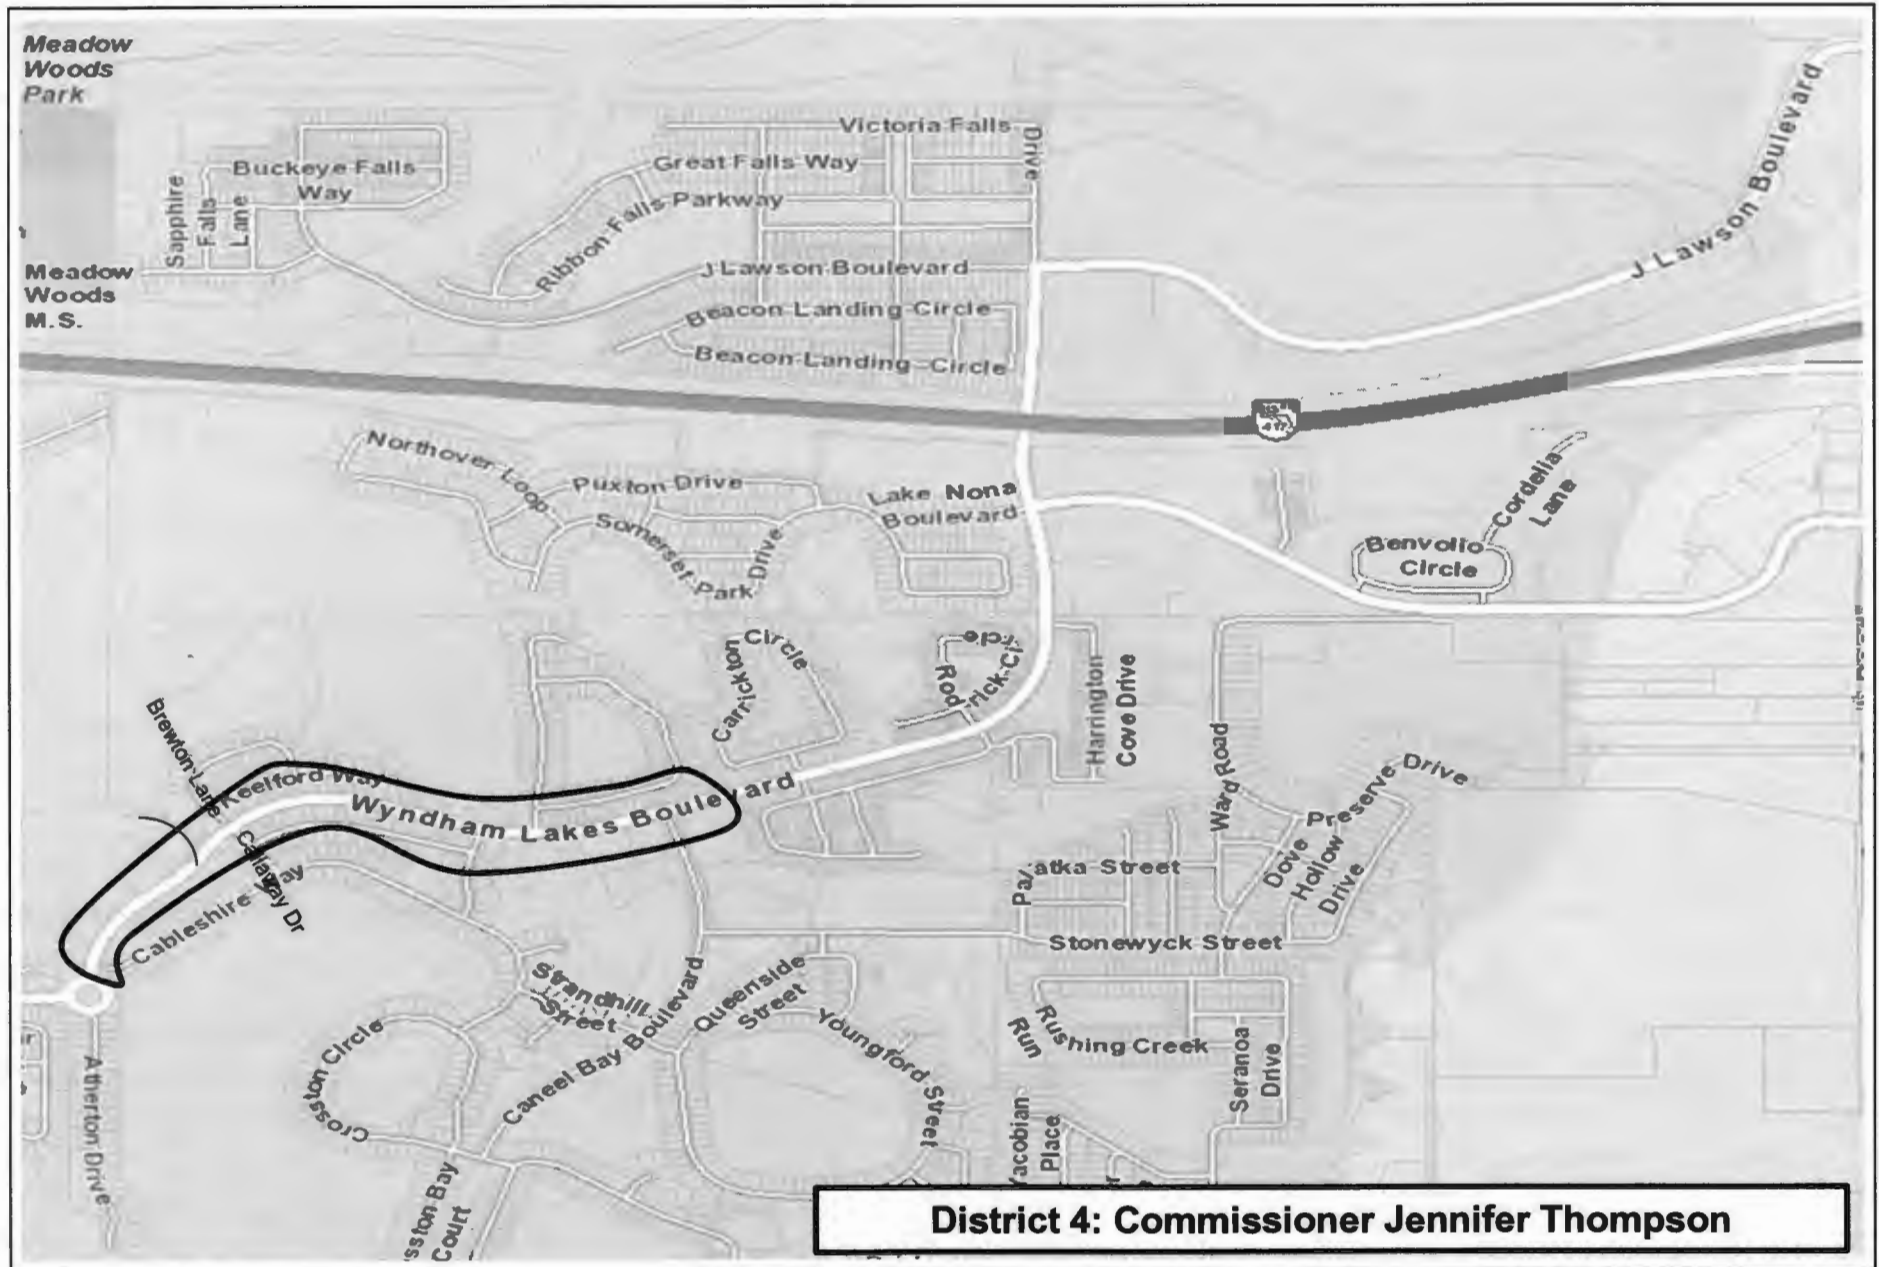

Staff conducted a speed and approach study that showed an 85th percentile speed of 40 mph and 14,000 vehicles per day on Wyndham Lakes Boulevard. Based on the results of the studies and field review of traffic conditions, our staff recommends that the Board approve an increase in the posted speed limit from 25 mph to 35 mph on Wyndham Lakes Boulevard from the roundabout to Caneel Bay Boulevard and remove the stop signs on Wyndham Lakes Boulevard at Brewton Lane/Callaway Drive.

Action Requested: Approval to increase the speed limit on Wyndham Lakes Boulevard from the roundabout to Caneel Bay Boulevard from 25 mph to 35 mph and to remove the stop signs on Wyndham Lakes Boulevard at Brewton Lane/Callaway Drive. District 4.
