SUBJ: **Installation of "No Parking" Zones on both sides of Jetstream Drive from Wetherbee Road to the cul-de-sac**

Jetport Park Non-Residential Property Owners Association requested that "No Parking" zones be established on Jetstream Drive from Wetherbee Road to the cul-de-sac.

The returned petition along with the letters of support from 94% of the property owners indicated that the property owners support the installation of "No Parking" zones on both sides of Jetstream Drive from Wetherbee Road to the cul-de-sac.

The parking of semi-trucks and trailers on Jetstream Drive is creating hazardous driving conditions and the establishment of "No Parking" zones on both sides of Jetstream Drive will reduce this condition.

Staff recommends that the Board approve the installation of "No-Parking" zones on both sides of Jetstream Drive from Wetherbee Road to the cul-de-sac.

Action Requested: Approval of "No Parking" Zones on both sides of Jetstream Drive from Wetherbee Road to the cul-de-sac. District 4.
