- 4.5 Any failure by the County to request to review the actual screenings of any employee shall not relieve the Agency of its liability and obligations under this License Agreement, nor shall it place any liability regarding the determination as to the eligibility or acceptability of any of the Agency's employees to provide services or to engage with any vulnerable person.

The SAM Exclusions List is maintained by the General Services Administration that contains the names of parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. See 2 CFR §180.530.
- 9.2 If the Agency has not already done so, prior to the execution of this Agreement, the Agency shall register for SAM using the DUNS® identification number under which it is entering this Agreement.
- 9.3 The County will not execute this Agreement without verifying that the Agency has been, or already is, registered with SAM (**Exhibit L**).
- 9.4 Should the County inadvertently execute this Agreement without first confirming registration of the Agency with SAM, it maintains the right to demand that the Agency register for SAM as soon as that oversight is discovered.

## **ARTICLE XV**

### **MISCELLANEOUS**

Section 1. **Entire Agreement.** This written Agreement and its exhibits constitute the entire agreement between the parties and shall supersede and replace all prior agreements or understandings, written or oral, relating to the matters set forth herein. Any changes to this Agreement shall be made in writing and approved by both parties.

Section 2. **No Partnership or Agency.** Nothing in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of master/servant, principal/agent, employer/employee, or joint venture partnership between the Agency and the County.

Section 3. **Severability.** The provisions of this Agreement are declared by the parties to be severable. However, the material provisions of this Agreement are dependent upon one another, and such interdependence is a material inducement for the parties to enter into this Agreement. Therefore, should any material term, provision, covenant or condition of this Agreement be held invalid or unenforceable by a court of competent jurisdiction, the party protected or benefited by such term, provision, covenant, or condition may demand that the parties negotiate such reasonable alternate contract language or provisions as may be necessary either to restore the protected or benefited party to its previous position or otherwise mitigate the loss of protection or benefit resulting from the holding.

Section 4. **Unlawful Compensation.** The Agency shall comply with all requirements regarding procurement issues as set forth in Chapter 287, Florida Statutes. Failure to comply with such requirements may result in immediate termination of this Agreement and any other remedies available by law.

Section 5. **Procurement of Recovered Materials.**

- 5.1 The Agency understands that in the performance of this Agreement, it must comply with Section 6002 of the Solid Waste Disposal Act, Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. §6962) should it purchase:

  - (b) Items, the quantity of which acquired by the preceding fiscal year met or exceeded ten thousand dollars (\$10,000).
- 5.2 The Agency, when making purchases that meet the thresholds listed in subparts “5.1a” and “5.1.b” of this Section, shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired:
  - (a) Competitively within a timeframe providing for compliance with the contract performance schedule;
  - (b) Meeting contract performance requirements; or
  - (c) At a reasonable price.
- 5.3 The Agency shall document what it considered when making its decision to use, or not use, recovered materials in purchases that meet the thresholds listed in subparts “5.2a” and “5.2b” of this Section.
- 5.4 The Agency must make the above-stated documentation available to the County upon request and shall maintain all of the above documentation for future verification for the duration of this Agreement and any extension hereto. Not doing so will jeopardize the Agency’s ability to be awarded federally-funded contracts by the County in the future.

- 5.5 The Agency must establish an affirmative procurement program which contains the four elements detailed in 40 CFR 247.6 (“Affirmative Procurement Programs”).
- 5.6 The Agency acknowledges that for further information about this requirement, along with the list of EPA-designated items, it should refer to the EPA’s Comprehensive Procurement Guidelines web site: <https://www.epa.gov/smm/comprehensiveprocurement-guideline-cpg-program>.

- 6.3 Include these requirements in each subcontract that exceeds thirty-five thousand dollars (\$35,000) financed in whole, or in part, with federal assistance provided by the Federal Awarding Agency.

Section 7. **Federal Water Pollution Control Act.** If this Agreement’s value exceeds thirty-five thousand dollars (\$35,000) in value, the Agency agrees to:

- 7.1 Comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.;
- 7.2 Report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the Federal Awarding Agency (and its pass-through recipient, if applicable), and the appropriate Environmental Protection Agency Regional Office; and
- 7.3 Include these requirements in each subcontract that exceeds thirty-five thousand dollars (\$35,000) financed in whole, or in part, with federal assistance provided by the Federal Awarding Agency.

Section 8. **Rights to Inventions Made Under this Agreement.** If the Federal Award and/or this Agreement meet the definition of “funding agreement” under 37 CFR §401.2(a), and the Agency is a small business firm or nonprofit organization, then the County shall comply with the requirements of 37 CFR §401 (“Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements”), and any implementing regulations issued by the Federal Awarding Agency.

Section 9. **Non-Obligation by Federal Government.** The Federal Government is not a party to this Agreement and is not subject to any obligations or liabilities to the County, the Agency, or any other party pertaining to any matter resulting from this Agreement.

Section 10. **Scrutinized Companies.**

- 10.1 By executing this Agreement, the Subrecipient certifies that it is eligible to bid on, submit a proposal for, or enter into or renew a contract with the County for goods or services pursuant to Section 287.135, Florida Statutes.
- 10.2 Specifically, by executing this Agreement, the Subrecipient certifies that it is **not** on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, and that it is **not** engaged in a boycott of Israel.
- 10.3 Additionally, if this Agreement is for an amount of one million dollars (\$1,000,000) or more, by executing this Agreement, the Subrecipient certifies that it is **not**:
  - a. On the “Scrutinized Companies with Activities in Sudan List” or the “Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List,” created pursuant to Section 215.473, Florida Statutes; or
  - b. Engaged in business operations in Cuba or Syria.
- 10.4 The County reserves the right to terminate this Agreement immediately should the Subrecipient be found to:
  - a. Have falsified its certification of eligibility to bid on, submit a proposal for, or enter into or renew a contract with the County for goods or services pursuant to Section 287.135, Florida Statutes; or
  - b. Have become ineligible to bid on, submit a proposal for, or enter into or renew a contract with the County for goods or services pursuant to Section 287.135, Florida Statute subsequent to entering into this Agreement with the County.
- 10.5 If this Agreement is terminated by the County as provided in subparagraph 4(a) above, the County reserves the right to pursue any and all available legal remedies against the Subrecipient, including but not limited to the remedies as described in Section 287.135, Florida Statutes.
- 10.6 If this Agreement is terminated by the County as provided in subparagraph 4(b) above, the Subrecipient shall be paid only for the funding-applicable work completed as of the date of the County’s termination.
- 10.7 Unless explicitly stated in this Section, no other damages, fees, or costs may be assessed against the County for its termination of the Agreement pursuant to this Section.

Section 11. **Contractor Employee Whistleblower Rights and Requirement to Inform Employees of Whistleblower Rights (Apr. 2014).**

- 11.1 This Agreement and employees working on this Agreement will be subject to the

whistleblower rights and remedies in the pilot program on contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

- 11.2 The Agency shall inform its employees in writing in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.
- 11.3 The Agency shall insert the substance of this clause in all subcontracts that exceed thirty-five thousand dollars (\$35,000) in value.

Section 12. **Waiver.** No delay or failure on the part of any party hereto to excise any right or remedy accruing to such party upon the occurrence of such event of violation shall affect any such right or remedy, be held to an abandonment thereof, or preclude such party from the exercise thereof at any time during the continuance of any event or violation. No waiver of a single event of violation shall be deemed to be a waiver of a subsequent event of violation.

Section 13. **Use of County Logo.** The Agency is prohibited from use of any and all County emblems, logos, and/or identifiers without written permission from the County as per Section 2-3, Orange County Code.

Section 14. **Jury Waiver.** Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this Agreement.

Section 15. **No Third Party Beneficiaries.** Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties, their respective successors and permitted assigns, the Federal Government (and its pass-through entity, if applicable), any legal or equitable right, benefit or remedy of any nature under or by reason of this Agreement.

Section 16. **Survivorship.** Those provisions which by their nature are intended to survive the expiration, cancellation, or termination of this Agreement, including, by way of example only, the indemnification and public records provisions, shall survive the expiration, cancellation, or termination of this Agreement.

Section 17. **Signatory.** Each signatory below represents and warrants that he or she has the full power and is duly authorized by their respective party to enter into and perform under this Agreement. Such signatory also represents that he or she has fully reviewed and understands the above conditions and intends to fully abide by the conditions and terms of this Agreement as stated.

Any counterpart may be delivered by any party by transmission of signature pages to the other parties at the addresses set forth herein, and delivery shall be effective and complete upon completion of such transmission; manually signed copies of signature pages shall nonetheless be delivered promptly after any such facsimile delivery.

Section 19. **Conflicts.** The terms of the Federal Award shall control over any conflicting terms in any

referenced agreement or document.

Section 20. **Captions.** Titles used throughout this Agreement are intended for ease of reference only and are not intended to be dispositive.

13. Minority and Women Business Opportunities to afford minority and women-owned businesses the opportunity to participate in the performance of this Agreement.

14. **2CFR §200.327 Financial reporting.**

Unless otherwise approved by OMB, the Federal awarding agency may solicit only the standard, OMB-approved government-wide data elements for collection of financial information (at time of publication the Federal Financial Report or such future collections as may be approved by OMB and listed on the OMB Web site). This information must be collected with the frequency required by the terms and conditions of the Federal award, but no less frequently than annually nor more frequently than quarterly except in unusual circumstances, for example where more frequent reporting is necessary for the effective monitoring of the Federal award or could significantly affect program outcomes, and preferably in coordination with performance reporting.

15. **2 CFR §200.328 Monitoring and reporting program performance.**

- (a) Monitoring by the non-Federal entity. The non-Federal entity is responsible for oversight of the operations of the Federal award supported activities. The non-Federal entity must monitor its activities under Federal awards to assure compliance with applicable Federal requirements and performance expectations are being achieved. Monitoring by the non-Federal entity must cover each program, function or activity. See also §200.331 Requirements for pass-through entities.
- (b) Non-construction performance reports. The Federal awarding agency must use standard, OMB-approved data elements for collection of performance information (including performance progress reports, Research Performance Progress Report, or such future collections as may be approved by OMB and listed on the OMB Web site).
  - (1) The non-Federal entity must submit performance reports at the interval required by the Federal awarding agency or pass-through entity to best inform improvements in program outcomes and productivity. Intervals must be no less frequent than annually nor more frequent than quarterly except in unusual circumstances, for example where more frequent reporting is necessary for the effective monitoring of the Federal award or could significantly affect program outcomes. Annual reports must be due 90 calendar days after the reporting period; quarterly or semiannual reports must be due 30 calendar days after the reporting period. Alternatively, the Federal awarding agency or pass-through entity may require annual reports before the anniversary dates of multiple year Federal awards. The final performance report will be due 90 calendar days after the period of performance end date. If a justified request is submitted by a non-Federal entity, the Federal agency may extend the due date for any performance report.
  - (2) The non-Federal entity must submit performance reports using OMB-approved government-wide standard information collections when providing performance information. As appropriate in accordance with above mentioned information collections, these reports will contain, for each Federal award, brief information on the following unless other collections are approved by OMB:
    - (i) A comparison of actual accomplishments to the objectives of the Federal award established for the period. Where the accomplishments of the Federal award can be quantified, a computation of the cost (for example, related to

units of accomplishment) may be required if that information will be useful. Where performance trend data and analysis would be informative to the Federal awarding agency program, the Federal awarding agency should include this as a performance reporting requirement.

- (ii) The reasons why established goals were not met, if appropriate.
  - (iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.
- (c) Construction performance reports (*if applicable*). For the most part, onsite technical inspections and certified percentage of completion data are relied on heavily by Federal awarding agencies and pass-through entities to monitor progress under Federal awards and subawards for construction. The Federal awarding agency may require additional performance reports only when considered necessary.
- (d) Significant developments. Events may occur between the scheduled performance reporting dates that have significant impact upon the supported activity. In such cases, the non-Federal entity must inform the Federal awarding agency or pass-through entity as soon as the following types of conditions become known:
  - (1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the Federal award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.
  - (2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more or different beneficial results than originally planned.
- (e) The Federal awarding agency may make site visits as warranted by program needs.
- (f) The Federal awarding agency may waive any performance report required by this part if not needed.

16. **2 CFR §200.331 Requirements for pass-through entities.**

All pass-through entities must:

- (a) Ensure that every subaward is clearly identified to the subrecipient as a subaward and includes the following information at the time of the subaward and if any of these data elements change, include the changes in subsequent subaward modification. When some of this information is not available, the pass-through entity must provide the best information available to describe the Federal award and subaward. Required information includes:
  - (1) Federal Award Identification.
    - (i) Subrecipient name (which must match the name associated with its unique entity identifier);

- (ii) Subrecipient's unique entity identifier (*currently known as DUNS number – Data Universal Numbering System (DUNS) number*);
- (iii) Federal Award Identification Number (FAIN);
- (iv) Federal Award Date (see §200.39 Federal award date);
- (v) Subaward Period of Performance Start and End Date;
- (vi) Amount of Federal Funds Obligated by this action;
- (vii) Total Amount of Federal Funds Obligated to the subrecipient;
- (viii) Total Amount of the Federal Award;
- (ix) Federal award project description, as required to be responsive to the federal Funding Accountability and Transparency Act (FFATA);
- (x) Name of Federal awarding agency, pass-through entity, and contact information for awarding official;
- (xi) CFDA Number and Name; the pass-through entity must identify the dollar amount made available under each Federal award and the CFDA number at time of disbursement;
- (xii) Identification of whether the award is R&D; and
- (xiii) Indirect cost rate for the Federal award (including if the de minimis rate is charged per §200.414 Indirect (F&A) costs).

(2) All requirements imposed by the pass-through entity on the subrecipient so that the Federal award is used in accordance with Federal statutes, regulations and the terms and conditions of the Federal award.

(3) Any additional requirements that the pass-through entity imposes on the subrecipient in order for the pass-through entity to meet its own responsibility to the Federal awarding agency including identification of any required financial and performance reports;

(4) An approved federally recognized indirect cost rate negotiated between the subrecipient and the Federal Government or, if no such rate exists, either a rate negotiated between the pass-through entity and the subrecipient (in compliance with this Part), or a de minimis indirect cost rate as defined in §200.414 Indirect (F&A) costs, paragraph (b) of this Part.

(5) A requirement that the subrecipient permit the pass-through entity and auditors to have access to the subrecipient's records and financial statements as necessary for the pass-through entity to meet the requirements of this section, §§200.300 Statutory and national policy requirements through 200.309 Period of performance, and Subpart F-Audits of this Part; and

(6) Appropriate terms and conditions concerning closeout of the subaward.

(b) Evaluate each subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring described in paragraph (c) of this section, which may include consideration of such factors as:

(1) The subrecipient's prior experience with the same or similar subawards;

- (2) The results of previous audits including whether or not the subrecipient receives a Single Audit in accordance with Subpart F—Audits of this Part, and the extent to which the same or similar subaward has been audited as a major program;
  - (3) Whether the subrecipient has new personnel or new or substantially changed systems; and
  - (4) The extent and results of Federal awarding agency monitoring (e.g., if the subrecipient also receives Federal awards directly from a Federal awarding agency).
- (c) Consider imposing specific subaward conditions upon a subrecipient if appropriate as described in §200.207 Specific conditions.
- (d) Monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved. Pass-through entity monitoring of the subrecipient must include:
  - (1) Reviewing financial and programmatic reports required by the pass-through entity.
  - (2) Following-up and ensuring that the subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the subrecipient from the pass-through entity detected through audits, on-site reviews, and other means.
  - (3) Issuing a management decision for audit findings pertaining to the Federal award provided to the subrecipient from the pass-through entity as required by §200.521 Management decision.
- (e) Depending upon the pass-through entity's assessment of risk posed by the subrecipient (as described in paragraph (b) of this section), the following monitoring tools may be useful for the pass-through entity to ensure proper accountability and compliance with program requirements and achievement of performance goals:
  - (1) Providing subrecipients with training and technical assistance on program-related matters; and
  - (2) Performing on-site reviews of the subrecipient's program operations;
  - (3) Arranging for agreed-upon-procedures engagements as described in §200.425 Audit services.
- (f) Verify that every subrecipient is audited as required by Subpart F—Audits of this Part when it is expected that the subrecipient's Federal awards expended during the respective fiscal year equaled or exceeded the threshold set forth in §200.501 Audit requirements.
- (g) Consider whether the results of the subrecipient's audits, on-site reviews, or other monitoring indicate conditions that necessitate adjustments to the pass-through entity's own records.

- (h) Consider taking enforcement action against noncompliant subrecipients as described in §200.338 Remedies for noncompliance of this Part and in program regulations.

17. **2 CFR §200.333 Retention requirements for records.**

Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following:

- (a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.
- (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.
- (c) Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition.
- (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity.
- (e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.
- (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).
  - (1) If submitted for negotiation. If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.
  - (2) If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or

computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

**18. 2 CFR §200.336 Access to records.**

- (a) Records of non-Federal entities. The Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the pass-through entity, or any of their authorized representatives, must have the right of access to any documents, papers, or other records of the non-Federal entity which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right also includes timely and reasonable access to the non-Federal entity's personnel for the purpose of interview and discussion related to such documents.
- (b) Only under extraordinary and rare circumstances would such access include review of the true name of victims of a crime. Routine monitoring cannot be considered extraordinary and rare circumstances that would necessitate access to this information. When access to the true name of victims of a crime is necessary, appropriate steps to protect this sensitive information must be taken by both the non-Federal entity and the Federal awarding agency. Any such access, other than under a court order or subpoena pursuant to a bona fide confidential investigation, must be approved by the head of the Federal awarding agency or delegate.
- (c) Expiration of right of access. The rights of access in this section are not limited to the required retention period but last as long as the records are retained. Federal awarding agencies and pass-through entities must not impose any other access requirements upon non-Federal entities.

**19. 2 CFR §200.337 Restrictions on public access to records.**

No Federal awarding agency may place restrictions on the non-Federal entity that limit public access to the records of the non-Federal entity pertinent to a Federal award, except for protected personally identifiable information (PII) or when the Federal awarding agency can demonstrate that such records will be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) or controlled unclassified information pursuant to Executive Order 13556 if the records had belonged to the Federal awarding agency. The Freedom of Information Act (5 U.S.C. 552) (FOIA) does not apply to those records that remain under a non-Federal entity's control except as required under §200.315 Intangible property. Unless required by Federal, state, or local statute, non-Federal entities are not required to permit public access to their records. The non-Federal entity's records provided to a Federal agency generally will be subject to FOIA and applicable exemptions.

**20. 2 CFR §200.338 Remedies for noncompliance.**

If a non-Federal entity fails to comply with Federal statutes, regulations or the terms and conditions of a Federal award, the Federal awarding agency or pass-through entity may impose additional conditions, as described in §200.207 Specific conditions. If the Federal awarding agency or pass-through entity determines that noncompliance cannot be remedied by imposing

additional conditions, the Federal awarding agency or pass-through entity may take one or more of the following actions, as appropriate in the circumstances:

- (a) Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.
- (b) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
- (c) Wholly or partly suspend or terminate the Federal award.
- (d) Initiate suspension or debarment proceedings as authorized under 2 CFR part 180 and Federal awarding agency regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by a Federal awarding agency).
- (e) Withhold further Federal awards for the project or program.
- (f) Take other remedies that may be legally available.

21. **2 CFR §200.339 Termination.**

- (a) The Federal award may be terminated in whole or in part as follows:
  - (1) By the Federal awarding agency or pass-through entity, if a non-Federal entity fails to comply with the terms and conditions of a Federal award;
  - (2) By the Federal awarding agency or pass-through entity for cause;
  - (3) By the Federal awarding agency or pass-through entity with the consent of the non-Federal entity, in which case the two parties must agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated; or
  - (4) By the non-Federal entity upon sending to the Federal awarding agency or pass-through entity written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Federal awarding agency or pass-through entity determines in the case of partial termination that the reduced or modified portion of the Federal award or subaward will not accomplish the purposes for which the Federal award was made, the Federal awarding agency or pass-through entity may terminate the Federal award in its entirety.
- (b) When a Federal award is terminated or partially terminated, both the Federal awarding agency or pass-through entity and the non-Federal entity remain responsible for compliance with the requirements in §§200.343 Closeout and 200.344 Post-closeout adjustments and continuing responsibilities.

22. **2 CFR §200.340 Notification of termination requirement.**

- (a) The Federal agency or pass-through entity must provide to the non-Federal entity a notice of termination.
- (b) If the Federal award is terminated for the non-Federal entity's failure to comply with the Federal statutes, regulations, or terms and conditions of the Federal award, the notification must state that the termination decision may be considered in evaluating future applications received from the non-Federal entity.
- (c) Upon termination of a Federal award, the Federal awarding agency must provide the information required under FFATA to the Federal Web site established to fulfill the requirements of FFATA, and update or notify any other relevant government-wide systems or entities of any indications of poor performance as required by 41 U.S.C. 417b and 31 U.S.C. 3321 and implementing guidance at 2 CFR part 77. See also the requirements for Suspension and Debarment at 2 CFR Part 180.

23. **2 CFR §200.341 Opportunities to object, hearings and appeals.**

Upon taking any remedy for non-compliance, the Federal awarding agency must provide the non-Federal entity an opportunity to object and provide information and documentation challenging the suspension or termination action, in accordance with written processes and procedures published by the Federal awarding agency. The Federal awarding agency or pass-through entity must comply with any requirements for hearings, appeals or other administrative proceedings which the non-Federal entity is entitled under any statute or regulation applicable to the action involved.

24. **2 CFR §200.342 Effects of suspension and termination.**

Costs to the non-Federal entity resulting from obligations incurred by the non-Federal entity during a suspension or after termination of a Federal award or subaward are not allowable unless the Federal awarding agency or pass-through entity expressly authorizes them in the notice of suspension or termination or subsequently. However, costs during suspension or after termination are allowable if:

- (a) The costs result from obligations which were properly incurred by the non-Federal entity before the effective date of suspension or termination, are not in anticipation of it; and
- (b) The costs would be allowable if the Federal award was not suspended or expired normally at the end of the period of performance in which the termination takes effect.

25. **2 CFR §200.344 Post-closeout adjustments and continuing responsibilities.**

- (a) The closeout of a Federal award does not affect any of the following:
  - (1) The right of the Federal awarding agency or pass-through entity to disallow costs and recover funds on the basis of a later audit or other review. The Federal

awarding agency or pass-through entity must make any cost disallowance determination and notify the non-Federal entity within the record retention period.

- (2) The obligation of the non-Federal entity to return any funds due as a result of later refunds, corrections, or other transactions including final indirect cost rate adjustments.
  - (3) Audit requirements in Subpart F—Audits of this Part.
  - (4) Property management and disposition requirements in Subpart D—Post Federal Award Requirements of this Part, §§200.310 Insurance Coverage through 200.316 Property trust relationship.
  - (5) Records retention as required in Subpart D—Post Federal Award Requirements of this Part, §§200.333 Retention requirements for records through 200.337 Restrictions on public access to records.

## EXHIBIT C SCOPE OF SERVICES

### HOMELESS SERVICES NETWORK OF CENTRAL FLORIDA, INC. EMERGENCY SOLUTIONS GRANT (ESG) GRANT PERIOD October 1, 2018 – September 30, 2019

**OBJECTIVE(S):** To facilitate a comprehensive and integrated system of services in Central Florida designed to ensure that any experience of homelessness is brief and rare.

**PLANNED ACTIVITIES:** The Agency will manage the Homeless Management Information System (HMIS), which is a federally required database used to capture information needed to link homeless individuals and families with appropriate services. The HMIS is also used to measure the outputs and outcomes of those services. The funding will be used to provide technical assistance to ESG-funded agencies, ensuring compliance, data quality standards, and timely reporting; and to collect all the data necessary for the Orange County Consolidated Annual Performance Evaluation Report (CAPER).

The following agencies are receiving ESG funds from Orange County in FY 2018-19:

- Coalition for the Homeless of Central Florida, Inc. (Emergency Shelter)
- Covenant House Florida, Inc. (Emergency Shelter)
- Family Promise of Greater Orlando, Inc. (Emergency Shelter)
- Harbor House of Central Florida, Inc. (uses a different database to collect information on victims of domestic violence, but might still require technical assistance) (Emergency Shelter)
- Coalition for the Homeless of Central Florida, Inc. (Rapid Re-housing Program)
- Catholic Charities of Central Florida, Inc. (Rapid Re-housing Program)
- Southern Territorial Headquarters of the Salvation Army, d.b.a. The Salvation Army of Orlando, Florida (Homelessness Prevention Program)

Additionally, the Agency will provide data quality and data completeness reports for Orange County and its ESG funded programs so that Orange County and funded agencies can monitor HMIS participation throughout the grant year.
2. **Three (3) HMIS User/Agency Training Sessions (minimum):** The Agency will develop and implement training sessions for ESG-funded agencies based on training needs informed by the data quality and data completeness reports. The Agency will also provide on-going technical assistance to ESG-funded agencies to enable them to collect, evaluate and integrate HMIS into overall project implementation.

3. The Agency will also assist Orange County with ESG-related HMIS data collection required for the annual HUD CAPER.

It is anticipated that the planned activities will result in the following outcomes:

1. Compliance with HUD requirements;
2. Advancement of comprehensive and integrated system of services for the homeless population; and
3. Improved data quality standards and timely reporting among the agencies providing services to the homeless population.

ESG Program Funds may not be used to pay for the same costs funded during the same period by any other County funding and/or other federal sources.

**AGENCY RESPONSIBILITIES:** The agency shall confirm eligibility (Orange County residency, verification of income, or, if applicable, limited clientele eligibility) of each client seeking services that are provided under this Agreement. Evidence of eligibility for the client shall be provided to Orange County upon request. Files for each client shall be kept separately and shall be properly labeled to indicate the funding source.

**RECORDKEEPING:** The agency shall adequately track, manage, and account for grant funds. The agency shall be responsible for maintaining a recordkeeping system which organizes and summarizes transactions in a form that provides the basis to maintain adequate documentation to support all costs charged to this funding source. Additionally, the agency shall incorporate a timekeeping system that identifies employees' time and effort by funding source and maintains documentation of cost allocation.

**BILLING AND PAYMENTS:** The agency shall submit all invoices and/or requests for reimbursement with the required supporting documentation on or before the last business day of each month. Invoices/requests for reimbursement shall contain the following, as applicable: cover letter, invoice (see **Exhibit D**), monthly expenditure report form, programmatic report (see **Exhibit G**), salary support documents and time allocation records, utilities, operational and other expenses, payments to vendors, and other support documents and information.
