SUBJ: **Extension of the existing "No Parking" zone on the north side of Wallace Road  
600 feet east of Sunbeam Avenue**

The Orange County Sheriff's Office has requested that Traffic Engineering extend the existing "No Parking" zone on Wallace Avenue, 600 feet east of Sunbeam Avenue. Currently, parents are parking on the right-of-way to let students out of their cars and avoid the parent drop-off/pick-up loop. Sheriff's deputies are concerned for the safety of both pedestrians and vehicles at this location.

The Traffic Engineering Division has determined that the parking of vehicles is damaging the right-of-way and creates a traffic hazard for pedestrians.

Staff recommends that the Board approve the extension of the "No Parking" zone on the north side of Wallace Road, 600 feet east of Sunbeam Avenue.

**Action Requested: Approval of "No Parking" signs installation on the north side of  
Wallace Road 600 feet east of Sunbeam Avenue. District 1.**
