BUSINESS DEVELOPMENT DIVISION

January 18, 2019

TO: Rolando Melo, Senior Contract Administrator
Procurement Division

FROM: Dexter Watts, Senior Contract Administrator
Business Development Division *DW*

SUBJECT: Business Development Division Bid Evaluation

PROJECT: Y19-713-RM / Summerlake Subdivision Drainage Improvements Area 2

The Business Development Division evaluated the 3 bids submitted for this project and found that the apparent low bidder Stage Door II, Inc. did not achieve good faith effort documentation and reported 9.91% MWBE participation in their bid. Please note the following certified MWBE participation:

Wbe-wf	The Pipe Nipple & Supply Company, Inc.	\$10,500
Mbe-am	Central Hauling & Excavating, Inc.	\$8,000
Total MWBE Participation		\$18,500.00 (9.91%)

The second low bid submitted by RMS Constructors Group, LLC met the MWBE participation goal and reported 25.53% MWBE participation in their bid.

The third low bid submitted by DB Civil Construction, LLC did not achieve good faith effort documentation. While the low bidder reported \$23,000 in MWBE participation, they did not specify the work to be performed on attachment C-2. Therefore, the MWBE participation could not be confirmed.

None of the bids were within the MWBE sliding scale range to be awarded this contract over the low bidder.

Our evaluation of these bids was based on the participation listed on the subcontractor/supplier page. If the low bidder is not chosen, please let us know so that we may obtain Letters of Intent to confirm the participation.

Attached is a spreadsheet reconciling the bidders' compliance with the IFB's M/WBE requirements, including the percentage breakdown for all bidders and a comparison of the relative bids versus participation percentages.
