Dear Mr. Acevedo:

I am the manager of Encima Venue, LLC d/b/a Encima Event Center.

Encima Event Center is located at the Leased Premises. We are an event center which will cater to big functions such as weddings, parties, and confirmations.

We decided to lease the Leased Premises based in part on the fact that we could serve alcoholic beverages. After all, the prior tenant, Azalea Park Moose Lodge operated with a liquor license for the past twenty (20) years.

Encima Event Center has to apply for a new liquor license. The Division of Alcoholic Beverage and Tobacco requires that Orange County permit Encima Event Center to have a liquor license. More specifically, Orange County has to sign off on the Liquor License Application.
