SUBJECT: Aviation Noise Abatement Committee Nomination  
**CONSENT AGENDA ITEM APRIL 23, 2019**

The Aviation Noise Abatement Committee (ANAC) was established by interlocal agreement between Orange County and the Greater Orlando Aviation Authority (GOAA) on November 1, 1977. ANAC makes recommendations for establishing noise abatement procedures and monitors the implementation of such procedures. Orange County nominates all local government representatives for appointment, including those from the City of Orlando and Osceola County. GOAA makes the appointments. Terms are for four years.

There is one vacancy on ANAC due to the term expiration/ineligibility of Eric Spaulding (representative of an unincorporated noise-impacted area - Conway). Mr. Spaulding does not live in unincorporated Orange County. In addition, the term of Anthony P. Carugno (representative of an unincorporated noise-impacted area - Belle Isle/Edgewood) expired April 4, 2019. Commissioner Uribe would like to nominate Mr. Carugno for reappointment with a term expiring April 4, 2023.

**ACTION REQUESTED:** Approval of the nomination for reappointment by the Greater Orlando Aviation Authority to the Aviation Noise Abatement Committee of Anthony P. Carugno in the representative of a municipal noise impacted area of Orange County (Belle Isle/Edgewood) category with a term expiring April 4, 2023.
