SUBJECT: Business Development Division Bid Evaluation

PROJECT: **Y19-753-RC / Parks Moss Park C-29 Boat Dock & Mooring Repairs –
Base + Additive 1**

The Business Development Division evaluated the 2 bids submitted for this project. None of the bidders was an Orange County certified M/WBE. The scope of services for the Parks Moss Park C-29 Boat Dock & Mooring Repairs had M/WBE availability at the sub-contract level. At least eight M/WBE firms are certified to provide site work and concrete services.

The apparent low bidder, Construct Co. Inc., did not achieve good faith effort documentation and reported 0% M/WBE participation in their bid.

The second low bid submitted by Custom Built Marine Construction, Inc. did not achieve good faith effort documentation and reported 0% M/WBE participation in their bid. The bid was not within the M/WBE sliding scale range to be awarded this contract over the low bidder.

Our evaluation of these bids was based on the participation listed on the subcontractor/supplier page. If the low bidder is not chosen, please let us know so that we may obtain Letters of Intent to confirm the participation.

Attached is a spreadsheet reconciling the bidders' compliance with the Invitation for Bid's M/WBE requirements, including the percentage breakdown for all bidders and a comparison of the relative bids versus participation percentages.
