**Resolution of the Orange County Board of Commissioners regarding support for the transfer of portions of SR 528, SR 429 and SR 417 from the Florida Department of Transportation to the Central Florida Expressway Authority**

The Central Florida Expressway Authority (CFX) Governing Board has reaffirmed an interest in purchasing certain toll roads within its geographic jurisdiction. Orange County believes that the region would be well-served if local toll roads were owned and operated by our local toll road agency to better serve and address the needs of our community, workforce, and visitors. The transfer of portions of toll facilities is subject to the valuation of the facilities and subsequent potential agreement between CFX and the Florida Department of Transportation.

**Action Requested:** **Approval and execution of Resolution of the Orange County Board of County Commissioners regarding support for the transfer of portions of SR 528, SR 429 and SR 417 from the Florida Department of Transportation to the Central Florida Expressway Authority. All Districts.**
