Planning, Environmental, and Development  
Services Department

**CONTACT PERSON:** David D. Jones, P.E., CEP, Manager  
Environmental Protection Division  
(407) 836-1405

**SUBJECT:** September 10, 2019 – Public Hearing  
Airport Parking Rental 1, LLC Conservation Area Impact  
Permit #CAI-18-03-013

On March 15, 2018, the Environmental Protection Division received an Application for a Conservation Area Impact (CAI) Permit for the Park, Bark, & Fly Airport Parking property to impact Class I and Class II wetlands in order to expand an existing parking facility. The address of the subject parcel is 6050 South Semoran Boulevard, and the Parcel ID No. is 21-23-30-0000-00-007. The property is located in District 3.

A public hearing was scheduled for July 16, 2019 for this CAI Permit request. The applicant requested a continuance to September 10, 2019, but withdrew the request on August 16, 2019.
