FROM: Kesi Warren, Senior Contract Administrator

SUBJECT: Business Development Division Bid Evaluation

PROJECT: **Y19-1008-TA, Unidirectional Flushing**

The Business Development Division evaluated the two bids submitted for this project and found at least eighteen firms were certified at the subcontractor level at the time of bid opening in the scopes of services. The apparent low bidder Pure Technologies US Inc. /dba Wachs Water Services met the Orange County M/WBE participation goal of 25%. They reported 27% M/WBE participation in their bid. Please note the following certified M/WBE participation:

AF(IS	Ace Staffing, Inc.	\$597,072.00
Total MWBE Participation		\$597,072.00 (27%)

The second low bid, submitted by Hydromax USA LLC, did not meet the Orange County M/WBE participation goal of 25%. They reported 0% M/WBE participation in their bid and did not provide good faith effort documentation.

Our evaluation of these bids was based on the participation listed on the subcontractor/supplier page.

Attached is a spreadsheet reconciling the bidders' compliance with the IFB's M/WBE requirements, including the percentage breakdown for all bidders and a comparison of the relative bids versus participation percentages.
