SUBJECT: Business Development Division Bid Evaluation

PROJECT: Y19-778-CH / Alafaya Trail Sidewalk Improvements

The Business Development Division evaluated the three lowest bids of the seven bids submitted for this project. One of the bidders was an Orange County certified Minority/Women Business Enterprise. The scope of services for this project had Minority/Women Business Enterprise availability. At the time of bid opening, at least 35 M/WBE firms were certified to provide the scope of services at the subcontract level.

The apparent low bidder, Parthenon Construction Company, did not achieve good faith effort documentation and reported 9.73% M/WBE participation in their bid. Please note the following certified M/WBE participation:

Mbe-hm	EM Paving	\$32,680
Wbe-wf	Angco Striping	\$6,300
Wbe-wf	John B. Webb & Associates	\$9,800
Total M/WBE Participation		\$48,780 (9.73%)

The second low bid submitted by Orange County Minority/Women Business Enterprise firm Valencia Construction Group, Inc. is bidding as a prime. Therefore, Valencia Construction Group, Inc. is required to self-perform no less than 51% of the contract per Sec. 17-321 in the M/WBE Ordinance. In the event this requirement is not achieved, other M/WBE's will have to be included to achieve the 25% M/WBE goal. Valencia Construction Group, Inc. reported self-performing 92.10%. They reported 0% other M/WBE participation in their bid and met the M/WBE participation goal.

The third low bid submitted by Schuller Contractors Incorporated, did not achieve good faith effort documentation and reported 12.84% M/WBE participation in their bid.

None of the bids were within the M/WBE sliding scale range to be awarded this contract over the low bidder.
