NOTES

1. Ownership of storm water management facilities shall be determined at DP.
2. Open space to be owned and maintained by the Property Owners.
3. Alafaya Trail access shall align with the driveway on the west side of Alafaya trail.
4. This site is located within the geographic limits of the Econ River Protection Ordinance. Basin wide regulations apply. Reference Orange County Code Chapter 15, article XI, Section 15-442.
5. Lighting will comply with Chapter 9 of the Orange County Land Development Code.
6. The project site was included in Orange County CAD 89-050 and Impact Permit CAI 93-043 completed for the Stoneybrook PD. A Conservation Easement (CE) was recorded in favor of the St. Johns River Water Management District (SJRWMD) in official records book 5226, pages 2076- 2118.
7. Neighborhood compatibility measure will include these agreements:
 - the project will be a gated community with no vehicular access to Stoneybrook;
 - no chain-link fencing;
 - landscaping closest to the single family homes to the north will include "Florida Friendly Landscaping" which will resemble to the extent possible the existing vegetation;
 - landscape plans shall include canopy and understory trees to reasonable block the view of the proposed buildings from the homes on Windsorgate.
8. Secondary access will be evaluated at Development Plan for consistency with Fire Department operation requirements.

WAIVERS

1. A waiver from Section 38-1258(j) to allow a minimum building separation of twenty (20) feet in lieu of a minimum separation of thirty (30) feet for two-story buildings, and forty (40) feet for buildings three (3) stories.

Applicant Justification: due to the desire to cluster the apartment buildings in an urban form adjacent to Alafaya Trail and farther away from single family homes to the north.

2. A waiver from Section 38-1251(b) is requested to allow the maximum coverage of all buildings to not exceed 50% of the gross land area, in lieu of the maximum coverage of all buildings not exceeding 30% of the gross land area.

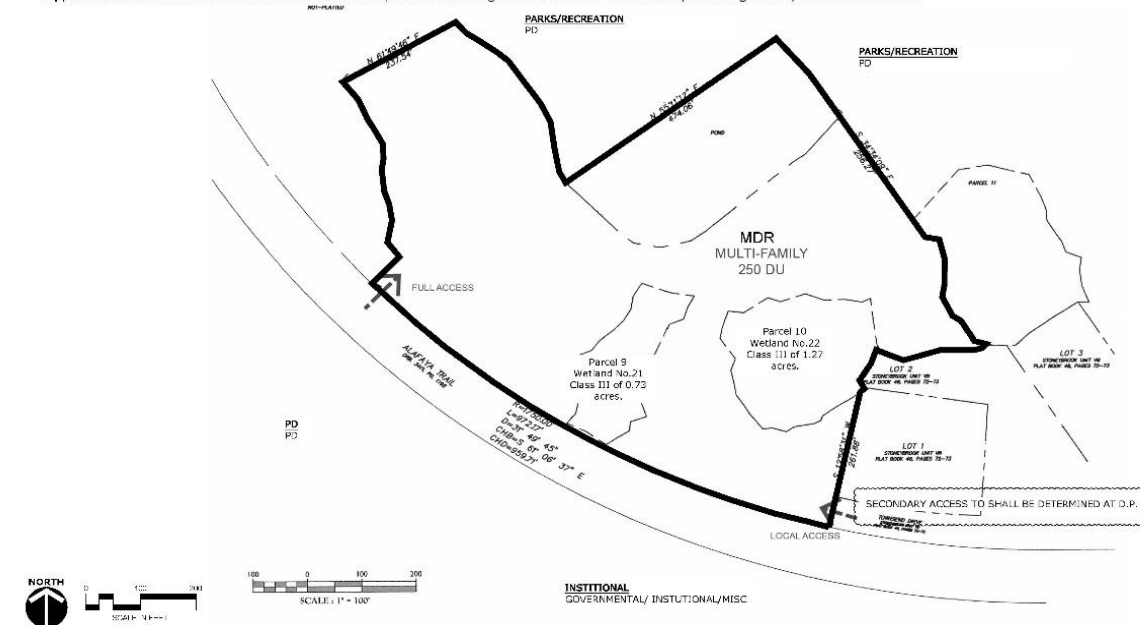

Applicant Justification: to allow compact development with adequate buffers for the single family to the north and Alafaya Trail to the west.

3. Waiver from 38-1254(2)c - Setbacks is requested to allow the setback from street rights-of-way is requested to be 25' in lieu of Arterial street 50 feet setback.

Applicant Justification: to allow a cluster of the residential buildings near for maximum separation from nearby single family.

4. Waiver from 38-1258(d) is requested to allow a maximum building height of 45 feet/3 stories in lieu of 40 feet.

Applicant Justification: due to the desire to cluster the apartment buildings in an urban form farther away from single family homes to the north.
