May 2020 Neighborhood Beautification Grants

The Neighborhood Services Division administers the Neighborhood Beautification Grant, which provides funds for neighborhood organizations to enhance the quality of their communities. The grants are available countywide for up to \$10,000 for physical improvements to communities. Per the program's guidelines, mandatory homeowners' associations are required to pay a 50% match for their projects, and there is no match required for projects done by voluntary neighborhood organizations. Applications are accepted year-round and are reviewed monthly by the Neighborhood Grants Advisory Board (NGAB). The applications are reviewed based on project feasibility, organizational readiness, and benefit to the community. Finally, the organizations receiving the grants are required to sign a letter of agreement recognizing their responsibilities throughout the grant process and demonstrating their ability to maintain the project.

The NGAB is recommending approval of the May 2020 Neighborhood Beautification Grants to Canyon Ridge Subdivision (\$10,000), Rio Pinar Woods HOA (\$10,000), and Vista Cove Subdivision (\$10,000) (see Attachment A). The grant requests are displayed in detail in attachments B through D.

ACTION REQUESTED: Approval of the Neighborhood Grants Advisory Board's recommendations for May 2020 Neighborhood Beautification Grants for Canyon Ridge Subdivision (\$10,000), Rio Pinar Woods HOA (\$10,000), and Vista Cove Subdivision (\$10,000) and authorization for the Director of Planning, Environmental, and Development Services to execute the associated grant agreements.
