SUBJECT: Aviation Noise Abatement Committee Nomination
CONSENT AGENDA ITEM JUNE 22, 2021

The Aviation Noise Abatement Committee (ANAC) was established by interlocal agreement between Orange County and the Greater Orlando Aviation Authority (GOAA) on November 1, 1977. ANAC makes recommendations for establishing noise abatement procedures and monitors the implementation of such procedures. Orange County nominates all local government representatives for appointment, including those from the City of Orlando and Osceola County. GOAA makes the appointments. Terms are for four years.

There is one vacancy on ANAC due to the term expiration/ineligibility of Eric Spaulding (representative of an unincorporated noise-impacted area (Conway)). In addition, the term of Simon Snyder (representative of North Orange County (Winter Park)) has expired.

Commissioner Uribe would like to nominate John D. Hermann for appointment to succeed Mr. Spaulding in the representative of an unincorporated noise-impacted area (Conway) category with a term expiring April 4, 2022.

A copy of Mr. Hermann's advisory board application for appointment is available upon request. Please let me know if you require further information.

ACTION REQUESTED: Approval of the nomination for appointment by the Greater Orlando Aviation Authority to the Aviation Noise Abatement Committee of John D. Hermann in the representative of an unincorporated noise-impacted area of Orange County (Conway) category with a term expiring April 4, 2022.
