SUBJ: **Installation of "No Parking" Signs on Clark Street**

A concerned citizen has requested that "No Parking" signs be established on exiting Clark Street from Overland Road and extending west 575 feet.

The request for parking restrictions is to address inadequate sight distance when patrons exit businesses due to vehicles parked on both sides of the road. Ballots were mailed to the impacted property owners. Upon receipt of the ballots, staff confirmed that a minimum of two-thirds of residents are in favor of the "No Parking" signs.

Staff recommends that the Board approve the installation of "No Parking" signs on both sides of Clark Street from Overland Road and extending west 575 feet.

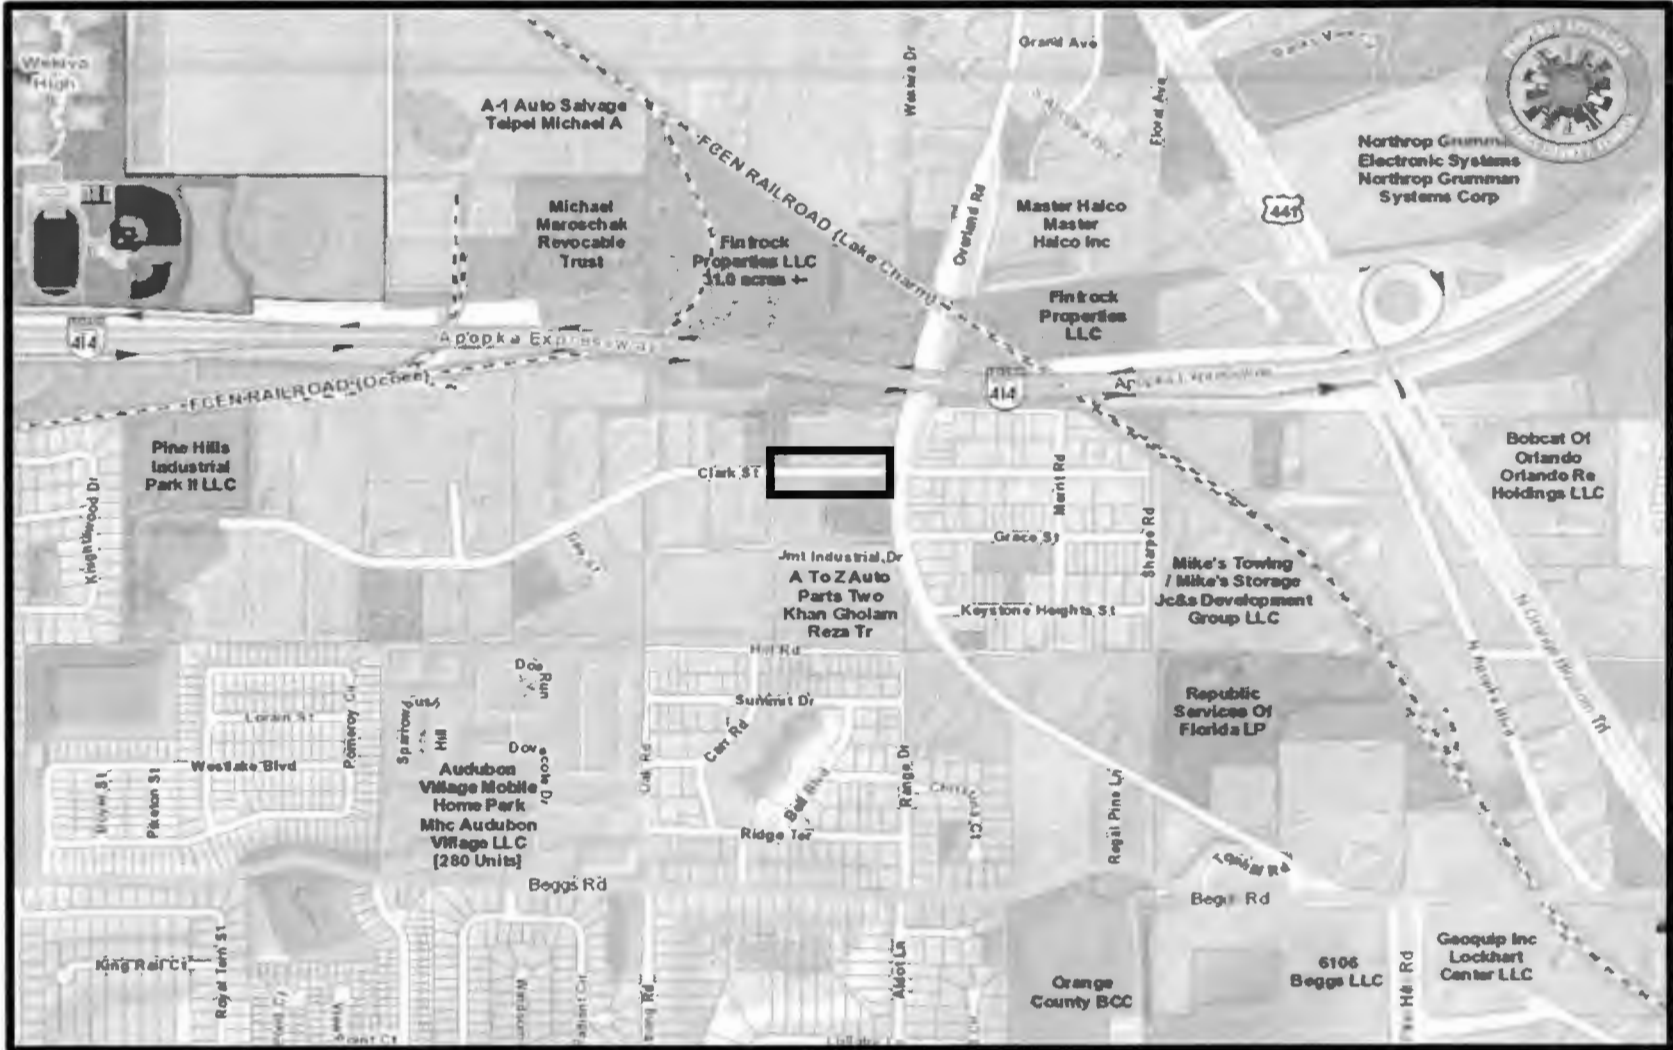

Action Requested: Approval of "No Parking" signs installation on both sides of Clark Street from Overland Road and extending west 575 feet. District 2.
