Federally-funded Subaward and Grant Agreement by the state of Florida
Division of Emergency Management and Orange County Agreement
Number: Z2543.

Under the provision of Section 501 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C.5121-5207, the state of Florida requested a pre-landfall emergency approval to the President of the United States in anticipation of Hurricane Isaias' arrival. Following the presidential approval, the state of Florida issued Executive Order Number 20-181 directing all governmental agencies to assist in the response, recovery, and mitigation needs created by this emergency. Consequently, Orange County initiated preparations to respond, recover, and mitigate the impacts of Hurricane Isaias.

The grant agreement will allow Orange County to pursue reimbursement costs incurred during its response to Hurricane Isaias, a destructive Category 1 Hurricane that caused extensive damage across the Caribbean and the east coast of the United States. The Incident Period for Hurricane Isaias was July 31, 2020 through August 4, 2020.

Orange County has one claim in the amount of \$6,665.24 in eligible expenditures waiting for the state of Florida's approval and is subject to available funding through the Federal Awarding Agency.

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Subrecipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Subrecipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The Subrecipient, by its decision to participate in this grant program, bears the ultimate responsibility for ensuring compliance with all applicable State and Federal laws, regulations and policies, and bears the ultimate consequences of any adverse decisions rendered by the Division, the Federal Awarding Agency, or any other State and Federal agencies with audit, regulatory, or enforcement authority;

E. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Subrecipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302 provides: "Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds." Therefore, section 215.971, Florida Statutes, entitled "Agreements funded with federal or state assistance", applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

- a. Performance under this Agreement is subject to 2 C.F.R. Part 200, entitled "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards."
- b. As required by section 215.971(1), Florida Statutes, this Agreement includes:
 - i. A provision specifying a scope of work that clearly establishes the tasks that the Subrecipient is required to perform.
 - ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.
 - iii. A provision specifying the financial consequences that apply if the Subrecipient fails to perform the minimum level of service required by the agreement.
 - iv. A provision specifying that the Subrecipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

- v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.
 - vi. A provision specifying that any funds paid in excess of the amount to which the Subrecipient is entitled under the terms and conditions of the agreement must be refunded to the Division.
- c. In addition to the foregoing, the Subrecipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment B to this Agreement ("Scope of Work, Deliverables, and Financial Consequences"). Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Subrecipient. As part of his/her duties, the Grant Manager for the Division shall:

- ii. Review and document all deliverables for which the Subrecipient requests payment.

d. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title, and address of the new representative will be provided to the other party in writing via letter or electronic email. It is the Subrecipient's responsibility to authorize its users in the Recipient's grants management system. Only the Authorized or Primary Agents identified in Attachment D to this Agreement ("Designation of Authority") may authorize addition or removal of agency users.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK

The Subrecipient shall perform the work in accordance with Attachment A to this Agreement ("Budget and Project List").

(8) PERIOD OF AGREEMENT/PERIOD OF PERFORMANCE

The Period of Agreement establishes a timeframe for all Subrecipient contractual obligations to be completed. This agreement will begin upon execution by both parties and shall end upon closeout of the Subrecipient's account for this disaster by the Federal Awarding Agency, unless terminated earlier as specified elsewhere in this Agreement. This Agreement survives and remains in effect after termination for the herein referenced State and Federal audit requirements and the referenced required records retention periods.

The Period of Performance is the timeframe during which the Subrecipient may incur new obligations to carry out the work authorized under this Agreement. In accordance with 2 C.F.R. §200.309, the Subrecipient may receive reimbursement under this Agreement only for allowable costs incurred during the period of performance. In accordance with section 215.971(1)(d), Florida Statutes, the Subrecipient may expend funds authorized by this Agreement only for allowable costs resulting from obligations incurred during the specified agreement period. The C.F.R. requirement is more restrictive and will take precedence over the State requirement. The period of performance for this agreement begins with the first day of the Incident Period for the disaster applicable to the agreement and **ends six (6) months from the date of declaration for Emergency Work (Categories A & B)**, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement or extended in accordance with Attachment G to this Agreement ("Public Assistance Program Guidance"). If any extension request is denied by the Recipient, or is not sought by the Subrecipient, reimbursement is only available for eligible project costs incurred up to the latest approved extension. Failure to complete a project is adequate cause for the termination of funding for that project and requires reimbursement to the Recipient of any and all project costs.

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds. The amount of total available funding for this subgrant is limited to the amount obligated by the Federal Awarding Agency for all projects approved for this Subrecipient for EM-3533 – Hurricane Isaias.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either Chapter 216, Florida Statutes, or the Florida Constitution.

c. Pursuant to section 252.37, Florida Statutes, unless otherwise specified in the General Appropriations Act, whenever the State accepts financial assistance from the Federal Government or its agencies under the Federal Public Assistance Program and such financial assistance is conditioned upon a requirement for

matching funds, the State shall provide the entire match requirement for state agencies and one-half of the required match for grants to Local governments. The affected Local government shall be required to provide one-half of the required match prior to receipt of such financial assistance.

d. The Executive Office of the Governor may approve a waiver, subject to the requirement for legislative notice and review under section 216.177, Florida Statutes, of all or a portion of the required match for public assistance projects for Local governments if the Executive Office of the Governor determines that such a match requirement cannot be provided, or that doing so would impose a documented hardship on the Local government, and if the Local government applies for the waiver within the first 18 months after the disaster is declared.

e. The Division will reimburse the Subrecipient only for allowable costs incurred by the Subrecipient. The Recipient will provide funds on a cost reimbursement basis to the Subrecipient for eligible activities approved by the Recipient and the Federal Awarding Agency, as specified in Attachment A of this Agreement ("Budget and Project List"), which also outlines the maximum reimbursement amount for each deliverable.

f. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Subrecipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)." The Subrecipient must complete Attachment "D" by designating at least three agents to execute any Requests for Reimbursement, certifications, or other necessary documentation on behalf of the Subrecipient. After execution of this Agreement, the authorized, primary, and secondary Agent may request changes to contacts via email to the State assigned team.

g. In the event the Subrecipient contacts have not been updated regularly and all three (3) Agents have separated from the Subrecipient's agency, a designation of authority form will be needed to change contacts. NOTE: This is very important because if contacts are not updated, notifications made from the grants management system may not be received and could result in failure to meet time periods to appeal a Federal determination.

h. The Division will review all requests for reimbursement by comparing the documentation provided by the Subrecipient in the grants management system against a performance measure, outlined in Attachment A of this Agreement ("Budget and Project List"), that clearly delineates:

- i. The required minimum acceptable level of service to be performed; and,
- ii. The criteria for evaluating the successful completion of each deliverable.

i. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.76 as, "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.301, that the Division and the Subrecipient "relate financial data to performance accomplishments of the Federal award."

j. If authorized by the Federal Awarding Agency, then the Division will reimburse the Subrecipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If authorized by the Federal Awarding Agency, and if the Subrecipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (see 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services

provided by employers to their employees as compensation in addition to regular salaries and wages.” Fringe benefits are allowable under this Agreement as long as the benefits are reasonable and are required by law, Subrecipient-Employee agreement, or an established policy of the Subrecipient in affect at the time of the disaster event. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

- i. They are provided under established written leave policies;
- ii. The costs are equitably allocated to all related activities, including Federal awards; and
- iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

k. If authorized by the Federal Awarding Agency, then the Division will reimburse the Subrecipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Subrecipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes (at the time of the execution of this agreement: \$6 for breakfast, \$11 for lunch, and \$19 for dinner), then the Subrecipient must provide documentation that:

- i. The costs are reasonable and do not exceed charges normally allowed by the Subrecipient in its regular operations as a result of the Subrecipient’s written travel policy; and,
- ii. Participation of the individual in the travel is necessary to the Federal award.

l. The Division’s Grant Manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Subrecipient.

m. As defined by 2 C.F.R. §200.53, the term “improper payment” means or includes:

- i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,
- ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit or applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

(10) RECORDS

a. As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Subrecipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Subrecipient’s personnel for the purpose of interview and discussion related to such

documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.331(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Subrecipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Subrecipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.333, the Subrecipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

- i. If any litigation, claim, or audit is started before the expiration of the five (5)-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.
- ii. When the Division or the Subrecipient is notified in writing by the Federal Awarding Agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.
- iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.
- iv. When records are transferred to or maintained by the Federal Awarding Agency or pass-through entity, the (five) 5-year retention requirement is not applicable to the Subrecipient.
- v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.
- vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.334, the Federal Awarding Agency must request transfer of certain records to its custody from the Division or the Subrecipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.335, the Division must always provide or accept paper versions of Agreement information to and from the Subrecipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be

substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Subrecipient shall take reasonable measures to safeguard protected personal identifiable information and other information the Federal Awarding Agency or the Division designates as sensitive or the Subrecipient considers sensitive consistent with applicable Federal, State, Local, and Tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, three (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Subrecipient based upon the funds provided under this Agreement, the meetings of the Subrecipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with Chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the State and Local governments as well as to private entities acting on their behalf. Unless specifically exempted from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency), in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge, qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Subrecipient shall maintain all records for the Subrecipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of Attachments A and B to this Agreement ("Budget and Scope of Work" and "Program Statutes and Regulations" respectively), and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-4156,

Records@em.myflorida.com, or 2555 Shumard Oak Boulevard, Tallahassee, FL 32399.

(11) AUDITS

a. The Subrecipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Subrecipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.49, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Subrecipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.50, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Subrecipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty days after the Division has notified the Subrecipient of such non-compliance.

e. The Subrecipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Subrecipient's fiscal year.

f. The Subrecipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Subrecipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General
2555 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100

g. The Subrecipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

<http://harvester.census.gov/fac/collect/ddeindex.html>

h. The Subrecipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General
2555 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100

(12) REPORTS

a. Consistent with 2 C.F.R. §200.328, the Subrecipient shall provide the Division with quarterly reports and any applicable close-out reports. These reports shall include the current status and progress by the Subrecipient and, as applicable, all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

	Reporting Time Period	Subrecipient Report Submittal Deadline
Quarter 1 (Q1)	October 1 – December 31	January 15
Quarter 2 (Q2)	January 1 – March 31	April 15
Quarter 3 (Q3)	April 1 – June 30	July 15
Quarter 4 (Q4)	July 1 – September 30	October 15

b. Quarterly reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30 and December 31.

c. The closeout report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with Attachment A to this Agreement ("Budget and Project List").

e. The Subrecipient shall provide additional program updates or information that may be required by the Division.

f. The Subrecipient shall provide additional reports and information as required by the Federal Awarding Agency or the Division.

(13) MONITORING

a. The Division shall monitor the performance of the Subrecipient under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement ("Budget and Project List") and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope reviews, and/or other procedures. The Subrecipient agrees to comply and

cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that an audit of the Subrecipient is appropriate, the Subrecipient agrees to comply with any additional instructions provided by the Division to the Subrecipient regarding such audit. The Subrecipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Subrecipient throughout the contract term to ensure timely completion of all tasks.

(14) LIABILITY

a. Unless Subrecipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Subrecipient is solely responsible to parties it deals with in carrying out the terms of this Agreement. As authorized by section 768.28(19), Florida Statutes, Subrecipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Subrecipient agrees that it is not an employee or agent of the Division but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Subrecipient which is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Subrecipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a State agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies as set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Subrecipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Subrecipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Subrecipient at any time during the term of this Agreement, and the Subrecipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or

d. The Subrecipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES

If an Event of Default occurs, then the Division shall, after thirty (30) days of providing written notice to the Subrecipient and upon the Subrecipient's failure to cure within those thirty (30) days, exercise any one or more of the following remedies, either concurrently or consecutively:

- a. Terminate this Agreement, provided that the Subrecipient is given at least thirty (30) days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein.
- b. Begin an appropriate legal or equitable action to enforce performance of this Agreement.
- c. Withhold or suspend payment of all or any part of a request for payment.
- d. Require that the Subrecipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.
- e. Exercise any corrective or remedial actions, to include but not be limited to:
 - i. Request additional information from the Subrecipient to determine the reasons for or the extent of non-compliance or lack of performance;
 - ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected;
 - iii. Advise the Subrecipient to suspend, discontinue or refrain from incurring costs for any activities in question; or
 - iv. Require the Subrecipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;
- f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Subrecipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Subrecipient.

(17) TERMINATION

- a. The Division may terminate this Agreement for cause after thirty (30) days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Subrecipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Florida Statutes, as amended.
- b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Subrecipient with thirty (30) days prior written notice.
- c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.
- d. In the event that this Agreement is terminated, the Subrecipient will not incur new obligations for the terminated portion of the Agreement after the Subrecipient has received the notification of termination. The Subrecipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Subrecipient shall not be relieved of liability to the Division because of any breach of Agreement by the Subrecipient. The Division may, to the extent authorized by law, withhold payments to the Subrecipient for the purpose of set-off until the exact amount of damages due the Division from the Subrecipient is determined.

(18) PROCUREMENT

a. The Subrecipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable Federal and State laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards"). Additional requirements, guidance, templates and checklists regarding procurement may be obtained through the FEMA Procurement Disaster Assistance Team. Resources found here: <https://www.fema.gov/grants/procurement>.

b. If the Subrecipient contracts with any contractor or vendor for performance of any portion of the work required under this Agreement, the Subrecipient must incorporate into its contract with such contractor or vendor an indemnification clause holding the Federal Government, its employees and/or their contractors, the Division, its employees and/or their contractors, and the Subrecipient and its employees and/or their contractors harmless from liability to third parties for claims asserted under such contract.

c. The Subrecipient shall monitor and document, in the quarterly report, the contractor's progress in performing its work on its behalf under this Agreement in addition to its own progress.

d. The Subrecipient shall ensure all contracts conform to sections §287.057 and §288.703, Florida Statutes, as applicable.

e. The Subrecipient may request guidance concerning procurement activity from the Division but shall also use its own judgment to determine compliance with all applicable rules and statutes.

(19) PAYMENTS

a. Requests for Reimbursement (RFR) serve as invoices for the purposes of section 215.422, Florida Statutes and shall include the supporting documentation for all costs of the project or services in detail sufficient for a proper pre-audit and post-audit thereof. The final RFR shall be submitted within thirty (30) days after the expiration date of the agreement or completion of applicable Project, whichever occurs first.

b. Any advance payment made under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statutes. All advances are required to be held in an interest-bearing account unless otherwise governed by a program specific waiver. If an advance payment is requested, the budget data upon which the request is based, and a justification statement shall be submitted by completing Attachment K of this Agreement ("Justification of Advance Payment"). The request will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. Any advance funds not expended within the first ninety (90) days of the contract term must be returned to the Division's Cashier within thirty (30) days, along with any interest earned on the advance. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

c. If the necessary funds are not available to fund this Agreement, as a result of action by the United States Congress, the Federal Office of Management and Budgeting, the State Chief Financial Officer or under subparagraph (9)b of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Subrecipient shall submit its closeout report within thirty (30) days of receiving notice from the Division.

(20) REPAYMENTS

a. All refunds or repayments due to the Division under this agreement are due no later than thirty (30) days from notification by the Division of funds due.

b. As a condition of funding under this Agreement, the Subrecipient agrees that the Recipient may withhold funds otherwise payable to the Subrecipient from any disbursement to the Recipient, by the Federal Awarding Agency or any other source, upon a determination by the Recipient or the Federal Awarding Agency that funds exceeding the eligible costs have been disbursed to the Subrecipient pursuant to this Agreement or any other funding agreement administered by the Recipient. The Subrecipient understands and agrees that the Recipient may offset any funds due and payable to the Subrecipient until the debt to the State is satisfied. In such event, the Recipient will notify the Subrecipient via the entry of notes in its grants management system.

c. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", must include the invoice number and the applicable Disaster and Project number(s) that are the subject of the invoice, and be mailed directly to the following address:

Division of Emergency Management
Cashier
2555 Shumard Oak Boulevard
Tallahassee FL 32399-2100

d. In accordance with section 215.34(2), Florida Statutes, if a check or other draft is returned to the Division for collection, the Subrecipient shall pay the Division a service fee of \$15.00 or 5% of the face amount of the returned check or draft; whichever is greater.

(21) MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Subrecipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of the said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty (30) days written notice to the Subrecipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Subrecipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Subrecipient agrees to comply with the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and Local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of \$25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Subrecipient which receives funds under this Agreement from the Federal government, certifies, to the best of its knowledge and belief, that it and its principals or affiliates:

- i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded or disqualified from covered transactions by a Federal department or agency;
- ii. Have not, within a five (5)-year period preceding this proposal, been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or Local) transaction or contract under public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (Federal, State or Local) with commission of any offenses enumerated in paragraph (23) f. ii. of this certification; and,
- iv. Have not, within a five (5)-year period preceding this Agreement, had one or more public transactions (Federal, State or Local) terminated for cause or default.

g. If the Subrecipient is unable to certify to any of the statements in this certification, then the Subrecipient shall attach an explanation to this Agreement.

h. In addition, the Subrecipient shall send to the Division (by email to the assigned grant manager) the completed Attachment C of this Agreement ("Certification Regarding Debarment") for the Subrecipient and a screenshot reflecting such self-check via the Federal System for Award Management (SAM) clearinghouse through the website www.sam.gov. Subrecipient shall also perform this check for any and all intended contractor or subcontractor for which Subrecipient plans to fund under this Agreement. A screenshot of the clearinghouse results for each intended contractor or subcontractor should be maintained by the Subrecipient and provided to the Division upon request. The check must be completed before the Subrecipient enters into a contract covering the scope of work outlined in the PWs with any contractor or subcontractor.

i. The Division reserves the right to unilaterally cancel this Agreement if the Subrecipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, which the Subrecipient created or received under this Agreement.

j. Subject to the provisions of 2 C.F.R. §200.305, the Subrecipient must temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

k. The State of Florida will not intentionally award publicly funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider

the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Subrecipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

l. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law. This provision is only applicable to subrecipients receiving a state cost share.

m. The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), F.S., or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

(22) LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any State agency.

d. The Subrecipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

- i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.
- ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Subrecipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.
- iii. The Subrecipient shall require that this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Subrecipients shall certify and disclose accordingly.

- iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
- v. The Subrecipient and its Contractors shall sign Attachment J – Certification Regarding Lobbying.

(23) COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUBRECIPIENT TO THE STATE OF FLORIDA.

- a. If the Subrecipient has a pre-existing patent or copyright, the Subrecipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.
- b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Subrecipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Subrecipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Subrecipient to the State of Florida.
- c. Within thirty (30) days of execution of this Agreement, the Subrecipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Subrecipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (25) b., have the right to all patents and copyrights which accrue during performance of the Agreement.
- d. If the Subrecipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Subrecipient shall become the sole property of the Subrecipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Subrecipient, under this Agreement, for Florida government purposes.

(24) LEGAL AUTHORIZATION

The Subrecipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Subrecipient also certifies that the undersigned person has the authority to legally execute and bind Subrecipient to the terms of this Agreement.

(25) EQUAL OPPORTUNITY EMPLOYMENT

a. In accordance with 41 C.F.R. §60-1.4(b), the Sub-Recipient hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

i. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

ii. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

iii. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

iv. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or

understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

v. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

vi. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

vii. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

viii. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

b. The Sub-Recipient further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, that

if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

c. The Sub-Recipient agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

d. The Sub-Recipient further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive order. In addition, the Sub-Recipient agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Sub-Recipient under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Sub-Recipient; and refer the case to the Department of Justice for appropriate legal proceedings.

(26) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds \$100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(27) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds \$150,000, then any such contract must include the following provision:
Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(28) SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(29) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

(30) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to

assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

- i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
- v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(31) NONDISCRIMINATION BY CONTRACTORS

Pursuant to 44 C.F.R. §§ 7 and 16, and 44 C.F.R. § 206.11, the Subrecipient must undertake an active program of nondiscrimination in its administration of disaster assistance under this Agreement. The Subrecipient is also subject to the requirements in the General Services Administrative Consolidated List of Debarred, Suspended and Ineligible Contractors, in accordance with 44 C.F.R. § 17.

(32) ASSURANCES

The Subrecipient shall comply with any Statement of Assurances incorporated as Attachment E to this Agreement ("Statement of Assurances").

(33) DUPLICATION OF BENEFITS PROHIBITED

a. The Subrecipient understands it may not receive funding under this Agreement to pay for damage covered by insurance, nor may the Subrecipient receive any other duplicate benefits from any source whatsoever.

b. The Subrecipient agrees to reimburse the Recipient if it receives any duplicate

benefits, from any source, for any damage identified on the applicable Project Worksheets, for which the Subrecipient has received payment from the Recipient.

c. The Subrecipient agrees to notify the Recipient in writing within thirty (30) days of the date it becomes aware of the possible availability of, applies for, or receives funds, regardless of the source, which could reasonably be considered as duplicate benefits.

d. In the event the Recipient determines the Subrecipient has received duplicate benefits, the Subrecipient gives the Recipient the express authority to offset the amount of any such duplicate benefits by withholding them from any other funds otherwise due and payable to the Subrecipient, and to use such remedies as may be available administratively or at law to recover such benefits.

(34) ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

The County Attorney shall exercise such delegated authority at his or her discretion and may delegate the authority further to any assistant county attorney or to any special counsel representing the County in any proceeding.

10.001 TOBACCO IN THE WORKPLACE

1. PURPOSE AND BACKGROUND

The purpose of this section is to provide employees with an understanding of Orange County's rules governing tobacco use in County facilities. The rules are designed to foster the health and safety of all employees and the public as well as reduce adverse impacts and maintenance to mechanical equipment. After careful review and consideration of all the available information, Orange County has decided to take additional positive steps towards providing a tobacco-free environment for all employees. Use of tobacco poses a significant risk to the health of the user. It can damage sensitive technical equipment and can be a safety hazard. The 1986 Surgeon General's report on involuntary smoking states that second hand smoke is a cause of disease, including lung cancer, in healthy non-smokers. The report continues by saying that the simple separation of smokers and non-smokers within the same air space may reduce, but does not eliminate, the exposure of non-smokers to environmental tobacco smoke. Under Section 386.204, Florida Statutes, a person is prohibited from smoking in any enclosed indoor workplace. The following rules are provided to demonstrate Orange County's desire to improve the health of its employees and citizens alike.

II. ORDER

A. Upon the effective date of this Executive Order, Executive Order 91.002 and 06.002, which pertain to smoking in the workplace, are repealed.

Attachment B

SCOPE OF WORK, DELIVERABLES and FINANCIAL CONSEQUENCES

Scope of Work

FEMA has sole authority for determining eligibility of project activities and associated costs. The Subrecipient is required to complete all eligible Projects and submit appropriate supporting documentation for all work and costs, as approved by FEMA.

When FEMA has obligated funding for a Subrecipient's PW, the Division notifies the Subrecipient with a copy of the PW (or P2 Report). Budget and Project List – Attachment A of this Agreement will be modified quarterly, as necessary, to incorporate new PWs or PW versions. **For the purpose of this Agreement, each Project will be monitored, completed and reimbursed independently of the other Projects which are made part of this Agreement.**

Deliverables

For the purposes of this agreement, each project will be a standalone deliverable but may be compensated incrementally based on the Subrecipient's expenditures. The required performance level is satisfactory completion of the project as identified in the Scope of Work, the approved PW, and subsequent PW versions, if applicable.

Large Project Deliverables –

Reimbursement requests will be submitted separately for each Large Project. Any request for reimbursement shall provide adequate, well organized and complete source documentation to support all costs related to the Project. Requests and associated documentation which do not conform will be returned to the Subrecipient prior to acceptance for payment.

Reimbursement up to 100% of the total eligible amount will be paid upon acceptance and is contingent upon:

- Timely submission of Quarterly Reports (due fifteen (15) days after end of each quarter).
- Timely submission of invoices (Requests for Reimbursement) and supported by documentation for all costs of the project or services in detail sufficient for a proper pre-audit and post-audit thereof. The final invoice shall be submitted within sixty (60) days after the expiration of the agreement or completion of the project, whichever occurs first. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division's as in ownership of the Grant Manager as part of the Subrecipient's quarterly reporting as referenced in Paragraph 7 of this agreement. Adjustments to the invoicing schedule must be approved in advance in writing by the Division's Grant Manager.
- Timely submission of Request for Final Inspection (within ninety (90) days of project completion – for each project).

Small Projects Deliverables –

Small projects will be paid upon obligation of the Project Worksheet and execution of the subgrant agreement. The Subrecipient must initiate the Small Project Closeout in the grants management system within thirty (60) days of completion of the project work, or no later than the period of performance end date. Small Project Closeout is initiated by logging into the grants management system, selecting the Subrecipient's account, then selecting 'Create New Request', and selecting 'New Small Project Completion/Closeout'. Complete the form and 'Save'. The final action is to advance the form to the next queue for review.

Financial Consequences

2 CFR 200.338 and Section 215.971, Florida Statutes, requires the Division, as the recipient of Federal funding, to apply financial consequences, including withholding a portion of funding up to the full amount in the event that the Subrecipient fails to be in compliance with Federal, State, and Local requirements, or satisfactorily perform required activities/tasks.

For any Project (PW) that the Subrecipient fails to complete in compliance with Federal, State and Local requirements, the Division shall withhold a portion of the funding up to the full amount until such compliance is either ultimately obtained or the project is deobligated by FEMA and/or withdrawn.

The Division shall apply the following financial consequences in these specifically identified events:

Work performed outside the Period of Performance –

Based on 2 C.F.R. Section §200.309, a Subrecipient may be reimbursed only for eligible costs incurred for work performed within the period of performance. Costs incurred as a result of work performed outside of the period of performance will be deemed not allowable and ineligible for reimbursement by the Division as a financial consequence. If the Subrecipient does not anticipate finishing the work within the original period of performance, it must request a time extension and support that the work cannot be timely completed due to extenuating circumstances beyond the Subrecipient's control (Attachment G).

Additionally, if the project is not completed within the period of performance and a time extension request was not granted, the Division will coordinate with the Federal Awarding Agency to adjust the costs obligated amount to reflect the actual allowable costs incurred during the period of performance as a financial consequence.

Failure to timely submit quarterly reports –

Pursuant to 2 C.F.R. Section 328, the Division is responsible for oversight of the operations of the Federal award supported activities. Section 215.971, Florida Statutes, provides the Division must monitor the activities performed under Federal awards to assure compliance with applicable Federal and State requirements and gain assurances that performance expectations are being achieved. Paragraph (12) of the subgrant agreement also requires the Subrecipient to submit a quarterly report that identifies the progress made on the project and will at a minimum include details regarding the status of all work in progress, work that has been completed, and work that has yet to begin.

These reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. In the event that a Subrecipient fails to timely submit this quarterly report, the Division will:

- Withhold \$500.00 from the next approved and final payment/payable for each project not reflected on a timely submitted Quarterly Report.

Failure to timely submit Requests for Final Inspection-

The submission of a request for Final Inspection is due within ninety (90) days of project completion for each project. In the event a Subrecipient fails to timely Request a Final Inspection, the Division will enforce the following:

- Withhold any and all final and approved payments/payables for each project for which a Request for Final Inspection is not timely submitted.
 - o Once the Request for Final Inspection is received, such funds will be released and paid to the Subrecipient.

The Division retains the right to impose financial consequences for instances of non-performance or non-compliance not specifically addressed in this section.

Attachment C

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY
and VOLUNTARY EXCLUSION**

With respect to any Subrecipient of the State, which receives funds under this Agreement from the Federal government, to the best of its knowledge and belief, that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
2. Have not within the five-year period preceding entering into this Agreement had one or more public transactions (Federal, State, or Local) terminated for cause or default; and
3. Have not within the five-year period preceding entering into this proposal been convicted of or had a civil judgment rendered against them for:
 - a) the commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or Local) transaction or a contract under public transaction; or b) violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property.

The Subrecipient understands and agrees that the language of this certification must be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, contracts under grants, loans, and cooperative agreements) and that all contractors and sub-contractors must certify and disclose accordingly.

The Subrecipient further understands and agrees that this certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into.

DESIGNATION OF AUTHORITY

The **Designation of Authority Form** is submitted with each new disaster or emergency declaration to provide the authority for the Subrecipient's Primary Agent and Alternate Agent to access the FDEM Grants Management System in order to enter notes, review notes and documents, and submit the documentation necessary to work the new event. The Designation of Authority Form is originally submitted as Attachment "D" to the PA Funding Agreement for each disaster or emergency declaration. Subsequently, the Primary or Alternate contact should review the agency contacts at least quarterly. The Authorized Representative can request a change in contacts via email to the State team; a note should be entered in FDEM Grants Management System if the list is correct. Contacts should be removed as soon as they separate, retire, or are reassigned by the Agency. A new form will only be needed if all authorized representatives have separated from your agency. Note that if a new Designation form is submitted, all Agency Representatives currently listed as contacts that are not included on the updated form will be deleted from FDEM Grants Management System as the contacts listed are replaced in the system, not supplemented. All users must log in on a monthly basis to keep their accounts from becoming locked. **Note:** a designation of authority is NOT a delegation of authority. A signatory must have an attached delegation of authority as appropriate.

Instructions for Completion

Complete the form in its entirety, listing the name and information for all representatives who will be working in the FDEM Grant Management System. Users will be notified via email when they have been granted access. The user must log in to the FDEM Grants Management System within twelve (12) hours of being notified or their account will lock them out. Each user must log in within a sixty (60) day time period or their account will lock them out. In the event you try to log in and your account is locked, submit a ticket using the Access Request link on the home page.

The form is divided into twelve blocks; each block must be completed where appropriate.

Block 1: "Authorized Agent" – This should be the highest authority in your organization who is authorized to sign legal documents on behalf of your organization. (Only one Authorized Agent is allowed, and this person will have full access/authority unless otherwise requested).

Block 2: "Primary Agent" – This is the person designated by your organization to receive all correspondence and is our main point of contact. This contact will be responsible for answering questions, uploading documents, and submitting reports/requests in FDEM Grants Management System. The Primary Agent is usually not the Authorized Agent but should be responsible for updating all internal stakeholders on all grant activities. (Only one Primary Agent is allowed, and this contact will have full access).

Block 3: "Alternate Agent" – This is the person designated by your organization to be available when the Primary is not. (Only one Alternate Agent is allowed, and this contact will have full access).

Block 4, 5, and 6: "Other" (Finance/Point of Contact, Risk Management-Insurance, and Environmental-Historic). Providing these contacts is essential in the coordination and communication required between State and Local subject matter experts. We understand that the same agent may be identified in multiple blocks, however we ask that you enter the name and information again to ensure we are communicating with the correct individuals.

Block 7 – 12: "Other" (Read Only Access) – There is no limit on "Other" contacts, but we ask that this be restricted to those that are going to actually need to log in and have a role in reviewing the information. This designation is only for situational awareness purposes as individuals with the "Other Read-Only" designation cannot take any action in FDEM Grants Management System.

PUBLIC ASSISTANCE PROGRAM GUIDANCE

1. RECIPIENT'S WEB-BASED PROJECT MANAGEMENT SYSTEM

Subrecipients must use the Recipient's web-based project management system, to access and exchange project information with the State throughout the project's life. This includes processing advances, reimbursement requests, quarterly reports, final inspection schedules, change requests, time extensions, and other services as identified in the Agreement. Training on this system will be supplied by the Recipient upon request by the Subrecipient. The Subrecipient is required to have working knowledge of the FDEM Grants Management System.

2. PROJECT DOCUMENTATION

The Subrecipient must maintain all source documentation supporting the project costs. To facilitate closeout and audits, the Subrecipient should **file all documentation pertaining to each project with the corresponding PW as the permanent record of the project**. In order to validate Large Project Requests for Reimbursement (RFRs), all supporting documents should be uploaded to the FDEM Grants Management System website. Contact the grant manager with questions about how and where to upload documents, and for assistance linking common documents that apply to more than one (1) PW.

The Subrecipient must retain sufficient records to show its compliance with the terms of this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives under this Agreement and all other applicable laws and regulations, for a period of five (5) years from the date of the Subrecipient account closeout by FEMA.

The five (5) year period is extended if any litigation, claim or audit is started before the five (5) year period expires, and extends beyond the five (5) year period. The records must then be retained until all litigation, claims, or audit findings involving the records have been resolved.

Records for the disposition of non-expendable personal property valued at \$5,000.00 or more at the time it is acquired must be retained for five (5) years after final account closeout.

Records relating to the acquisition of real property must be retained for five (5) years after final account closeout.

3. PROJECT AMENDMENTS

Project Amendments may be requested by the Subrecipient, in FDEM Grants Management System, on both small and large projects, to:

- 1) New Time Extension;
 - a) Requests for Time Extensions within the Subrecipient's authority
 - b) Requests for Time Extensions not within the Subrecipient's authority
- 2) New Project Amendment;
 - a) Requests for Alternate Projects
 - b) Requests for Improved Projects
 - c) Requests for Mitigation Opportunities
 - d) Requests for Revised Scope of Work
 - e) Significant Cost Variance (>20%)
 - f) Use of Eligible Excess Funds
- 3) New Project Appeal
 - a) Subrecipient Appeal
 - i) Request First Appeal; and/or
 - ii) Request Second Appeal; and/or

- iii) Request Appeal via Arbitration.
- b) Project Appeal
 - i) Large Project Appeal
 - (1) Request First Appeal; and/or
 - (2) Request Second Appeal; and/or
 - (3) Request Appeal via Arbitration
 - ii) Small Project Appeal
 - (1) Small Project Netting

4. PROJECT RECONCILIATION AND CLOSEOUT

The purpose of closeout is for the Subrecipient to certify that all work has been completed. To ensure a timely closeout process, the Subrecipient should notify the Recipient within sixty (90) days of Project completion.

The Subrecipient should include the following information with its closeout request:

- Certification that project is complete;
- Date of project completion; and,
- Copies of any time extensions.

Large Projects

With exception of Fixed Cost Estimate Subawards, Alternate Projects and Improved Projects where final costs exceed FEMA's original approval, the final eligible amount for a Large Project is the actual documented cost of the completed, eligible SOW. Therefore, upon completion of each Large Project that FEMA obligated based on an estimated amount, the Subrecipient should provide the documentation to support the actual costs. If the actual costs significantly differ from the estimated amount, the Subrecipient should provide an explanation for the significant difference.

FEMA reviews the documentation and, if necessary, obligates additional funds or reduces funding based on actual costs to complete the eligible SOW. If the project included approved hazard mitigation measures, FEMA does not re-evaluate the cost-effectiveness of the HMP based on the final actual cost. If during the review, FEMA determines that the Subrecipient performed work that was not included in the approved SOW, FEMA will designate the project as an Improved Project, cap the funding at the original estimated amount, and review the additional SOW for EHP compliance.

For Fixed Cost Estimate Subawards, the Subrecipient must provide documentation to support that it used the funds in accordance with the eligibility criteria described in the PAPPG and guidance provided at <https://www.fema.gov/assistance/public/policy-guidance-fact-sheets> and in the referenced disaster specific guidance attached hereto.

Once FEMA completes the necessary review and funding adjustments, FEMA closes the project.

Small Projects

Once FEMA obligates a Small Project, FEMA does not adjust the approved amount of an individual Small Project. This applies even when FEMA obligates the PW based on an estimate, and actual costs for completing the eligible SOW differ from the estimated amount. FEMA adjusts the approved amount on individual Small Projects only if one of the following conditions applies:

- The Subrecipient did not complete the approved SOW;
- The Subrecipient requests additional funds related to an eligible change in SOW;
- The PW contains inadvertent errors or omissions; or
- Actual insurance proceeds differ from the amount deducted in the PW.

In these cases, FEMA only adjusts the specific cost items affected.

If none of the above applies, the Subrecipient may request additional funding through small project netting, known as the net small project overrun appeal. The request operates as a normal appeal, but includes all of the Subrecipient's Small Projects. The Subrecipient must send its request to the Recipient's Appeals Officer within sixty (60) days of completion of the work for the Subrecipient's last Small Project. The appeal must include actual cost documentation for all Small Projects that FEMA originally funded based on estimate amounts. FEMA will evaluate all Small Projects and make adjustments according to any overruns or underruns for each project. FEMA will not consider requests submitted past the appeals deadline.

To ensure that all work has been performed within the SOW specified on the Project Worksheets (PW), the Recipient will conduct final inspections on Large Projects, and may, at its sole discretion, select one or more Small Projects to be inspected. Costs determined to be outside of the approved scope of work and/or outside of the approved performance period cannot be reimbursed.

For Hurricane Isaias EM#3533, projects that are under \$131,100.00 are considered small projects. In coordination with FEMA, the Division will accept a self-certification of small projects in lieu of project documentation. The self-certification will require the applicant to certify that the scope of work is eligible and that the funds will be expended in accordance with State and Federal law.

Once the project is obligated, the Division will reimburse the project without a request for reimbursement.

5. TIME EXTENSIONS

FEMA only provides Public Assistance (PA) funding for work completed and costs incurred within regulatory deadlines. The deadline for **Emergency Work** is six (6) months from the declaration date.

If the Subrecipient determines it needs additional time to complete the project, including direct administrative tasks related to the project, it must submit a written request for a Time Extension to the Recipient with the following information:

- Documentation substantiating delays beyond its control;
- A detailed justification for the delay;
- Status of the work; and
- The project timeline with the projected completion date.

Within its discretion, set out by 44 C.F.R. §206.204, the Division may grant a time extension for Category B (emergency protective measures) work.

FEMA has authority to extend individual project deadlines beyond these timeframes if extenuating circumstances justify additional time. This applies to all projects with the exception of those projects for temporary facilities.

FEMA generally considers the following to be extenuating circumstances beyond the Subrecipient's control:

- Permitting or Environmental and Historic Preservation (EHP) compliance related delays due to other agencies involved;
- Environmental limitations (such as short construction window);
- Inclement weather (site access prohibited or adverse impact on construction); and
- Lack of availability of materials, equipment, or contractors to complete work.

FEMA generally considers the following to be circumstances within the control of the Subrecipient and not justifiable for a time extension:

- Permitting or environmental delays due to Subrecipient delays in requesting permits;
- Lack of funding;
- Change in administration or cost accounting system; and/or
- Compilation of cost documentation.

Although FEMA only provides PA funding for work performed on or before the approved deadline, the Subrecipient must still complete the approved SOW for funding to be eligible. FEMA de-obligates funding for any project that the Subrecipient does not complete. If the Subrecipient completes a portion of the approved SOW and the completed work is distinct from the uncompleted work, FEMA only de-obligates funding for the uncompleted work. For example, if one project includes funds for three facilities and the Subrecipient restores only two of the three facilities, FEMA only de-obligates the amount related to the facility that the Subrecipient did not restore.

Time Extension requests should be submitted prior to current approved deadline, be specific to one project, and include the following information with supporting documentation:

- Dates and provisions of all previous time extensions;
- Construction timeline/project schedule in support of requested time;
- Basis for time extension request:
 - Delay in obtaining permits;
 - Permitting agencies involved and application dates;
 - Environmental delays or limitations (e.g., short construction window, nesting seasons);
 - Dates of correspondence with various agencies;
 - Specific details;
- Inclement weather (prolonged severe weather conditions prohibited access to the area, or adversely impacted construction);
 - Specific details;
- Other reason for the delay;
 - Specific details.

Submission of a Time Extension request does not automatically grant an extension to the period of performance. Without an approved Time Extension from the Division or FEMA (as applicable), any expenses incurred outside the Period of Performance (POP) are ineligible.

6. INSURANCE

The Subrecipient understands and agrees that disaster funding for insurable facilities provided by FEMA is intended to supplement, not replace, financial assistance from insurance coverage and/or other sources. Actual or anticipated insurance proceeds must be deducted from all applicable FEMA Public Assistance grants in order to avoid a duplication of benefits. The Subrecipient further understands and agrees that if Public Assistance funding is obligated for work that is subsequently determined to be covered by insurance and/or other sources of funding, FEMA must de-obligate the funds per Stafford Act Sections 101 (b)(4) and 312 (c).

As a condition of funding under this Agreement, pursuant to 44 C.F.R. §§ 206.252-253, for damaged facilities, the Subrecipient understands it must, and it agrees to, maintain such types of insurance as are reasonable and necessary to protect against future loss for the anticipated life of the restorative work or the insured facility, whichever is lesser. Except that the Recipient acknowledges FEMA does not require insurance to be obtained and maintained for projects where the total eligible damage is less than \$5,000.00.

In addition to the preceding requirements, the Subrecipient understands it is required to obtain and maintain insurance on certain permanent work projects in order to be eligible for Public Assistance funding in future disasters pursuant to § 311 of the Stafford Act. As stated in the Stafford Act, "Such coverage must at a minimum be in the amount of the eligible project costs." Further, the Stafford Act, requires a Subrecipient to purchase and maintain insurance, where that insurance is "reasonably available, adequate or necessary to protect against future loss" to an insurable facility as a condition for receiving disaster assistance funding. The Public Assistance Program and Policy Guide further states, "If the Subrecipient does not comply with the requirement to obtain and maintain insurance, FEMA will deny or de-obligate PA funds from the current disaster." If the State Insurance Commissioner certifies that the type and extent of insurance is not "reasonably available, adequate or necessary to protect against future loss" to an insurable facility, the Regional Administrator may modify or waive the requirement in conformity with the certification.

The Subrecipient understands and agrees it is responsible for being aware of, and complying with, all insurance considerations contained in the Stafford Act and in 44 C.F.R. §§ 206.252-253.

The Subrecipient agrees to notify the Recipient in writing within thirty (30) days of the date it becomes aware of any insurance coverage for the damage identified on the applicable Project Worksheets and of any entitlement to compensation or indemnification from such insurance. The Subrecipient further agrees to provide all pertinent insurance information, including but not limited to copies of all policies, declarations pages, insuring agreements, conditions, and exclusions, Statement of Loss, and Statement of Values for each insured damaged facility.

The Subrecipient understands and agrees that it is required to pursue payment under its insurance policies to the best of its ability to maximize potential coverage available.

7. COMPLIANCE WITH PLANNING/PERMITTING REGULATIONS AND LAWS

The Subrecipient is responsible for the implementation and completion of the approved projects described in the Project Worksheets in a manner acceptable to Recipient, and in accordance with applicable Local, State, and Federal legal requirements.

If applicable, the contract documents for any project undertaken by the Subrecipient, and any land use permitted by or engaged in by the Subrecipient, must be consistent with the local government comprehensive plan.

The Subrecipient must ensure that any development or development order complies with all applicable planning, permitting, and building requirements including, but not limited to, the National Environmental Policy Act and the National Historic Preservation Act.

The Subrecipient must engage such competent, properly licensed, engineering, environmental, archeological, building, and other technical and professional assistance at all project sites as may be needed to ensure that the project complies with the contract documents.

8. FUNDING FOR LARGE PROJECTS

Although Large Project payment must be based on documented actual costs, most Large Projects are initially approved based on estimated costs. Funds are made available to the Subrecipient when work is in progress and funds have been expended with documentation of costs available. When all work associated with the project is complete, the State will perform a reconciliation of all costs and will transmit the information to FEMA for its consideration for final funding adjustments (See Closeouts).

The submission from the Subrecipient requesting this reimbursement must include:

- a) A Request for Reimbursement (available in the FDEM Grants Management System);
- b) A Summary of Documentation (SOD) which is titled Reimbursement Detail Report in the FDEM Grants Management System and is automatically created when the Request for Reimbursement is submitted (and is supported by copies of original documents such as, but not limited to, contract documents, insurance policies, payroll records, daily work logs, invoices, purchase orders, and change orders); and,
- c) The FDEM Cost Claim Summary Workbook (found in the Forms section of the FDEM Grants Management System), along with copies of original documents such as contract documents, invoices, change orders, canceled checks (or other proof of expenditure), purchase orders, etc.

9. ADVANCES

1. For a Federally funded contract, any advance payment is also subject to 2 C.F.R., Federal OMB Circulars A-87, A-110, A-122, and the Cash Management Improvement Act of 1990.
2. All advances must be held in an interest-bearing account with the interest being remitted to the Recipient as often as practicable, but not later than ten (10) business days after the close of each calendar quarter.
3. In order to prepare a Request for Advance (RFA) the Subrecipient must certify to the Recipient that it has procedures in place to ensure that funds are disbursed to project vendors, contractors, and subcontractors without unnecessary delay. The Subrecipient must prepare and submit a budget that contains a timeline projecting future payment schedules through project completion.
4. A separate RFA must be completed for each Project Worksheet to be included in the Advance Funding Payment.
5. The Subrecipient must complete a Request for Reimbursement (RFR) via the FDEM Grants Management System no more than ninety (90) days after receiving its Advance Payment for a specific project. The RFR must account for all expenditures incurred while performing eligible work documented in the applicable Project Worksheet for which the Advance was received.
6. If a reimbursement has been paid prior to the submittal of a request for an advance payment, an Advance cannot be accepted for processing.

7. The Recipient may advance funds to the Subrecipient, not exceeding the Federal share, only if the Subrecipient meets the following conditions:

a) The Subrecipient must certify to the Recipient that Subrecipient has procedures in place to ensure that funds are disbursed to project vendors, contractors, and subcontractors without unnecessary delay; and

b) The Subrecipient must submit to the Recipient the budget supporting the request.

8. The Subrecipient must submit a statement justifying the advance and the proposed use of the funds, which also specifies the amount of funds requested and certifies that the advanced funds will be expended no more than ninety (90) days after receipt of the Advance, as defined in 2 C.F.R. §200.305 and as applicable section 216.181(16), Florida Statutes;

9. The Recipient may, in its sole discretion, withhold a portion of the Federal and/or nonfederal share of funding under this Agreement from the Subrecipient if the Recipient reasonably expects that the Subrecipient cannot meet the projected budgeted timeline or that there may be a subsequent determination by FEMA that a previous disbursement of funds under this or any other Agreement with the Subrecipient was improper.

Payments under the Public Assistance Alternative Procedures Program (PAAP) are paid as an Advance Payment only if permissible in accordance with 2 C.F.R. § 200.305(b). Advance payments are only permissible if in compliance with 2 C.F.R. § 200.305(b), and PAAP projects are no exception.

10. DESIGNATION OF AGENT

The Subrecipient must complete Attachment D by designating at least three (3) agents to execute any Requests for Advance or Reimbursement, certifications, or other necessary documentation on behalf of the Subrecipient.

After execution of this Agreement, the authorized, primary, and secondary Agent may request changes to contacts via email to the State assigned team.

In the event the Subrecipient's contacts have not been updated regularly and all three (3) Agents have separated from the Subrecipient's agency, a designation of authority form will be needed to change contacts.

NOTE: This is very important because if contacts are not updated, notifications made from FDEM Grants Management System may not be received and could result in failure to meet time periods to appeal a Federal determination.

11. DUNS Q&A

What is a DUNS number?

The Data Universal Numbering System (DUNS) number is a unique nine-digit identification number provided by Dun & Bradstreet (D&B). The DUNS number is site specific. Therefore, each distinct physical location of an entity such as branches, divisions and headquarters, may be assigned a DUNS number.

Who needs a DUNS number?

Any *institution* that wants to submit a grant application to the Federal government. Individual researchers do not need a DUNS number if they are submitting their application through a research organization.

How do I get a DUNS number?

Dun & Bradstreet have designated a special phone number for Federal grant and cooperative agreement Subrecipients/prospective Subrecipients. Call the number below between 8 a.m. and 5 p.m., local time in the 48 contiguous states and speak to a D&B representative. This process will take approximately 5 – 10 minutes and you will receive your DUNS number at the conclusion of the call.

1-866-705-5711

What do I need before I request a DUNS number?

Before you call D&B, you will need the following pieces of information:

- Legal Name;
- Headquarters name and address for your organization;
- Doing business as (dba) or other name by which your organization is commonly recognized;
- Physical address;
- Mailing address (if separate from headquarters and/or physical address);
- Telephone number;
- Contact name and title; and
- Number of employees at your physical location.

How much does a DUNS number cost?

There is no charge to obtain a DUNS number.

Why does my institution need a DUNS number?

New regulations taking effect Oct. 1, 2003, mandate that a DUNS number be provided on all Federal grant and cooperative agreement applications. The DUNS number will offer a way for the Federal government to better match information across all agencies.

How do I see if my institution already has a DUNS number?

Call the toll-free number above and indicate that you are a Federal grant and/or cooperative agreement Subrecipient. D&B will tell you if your organization already has an assigned number. If not, they will ask if you wish to obtain one.

Should we use the +4 extension to the DUNS number?

Although D&B provides the ability to use a 4-digit extension to the DUNS number, neither D&B nor the Federal government assign any importance to the extension. Benefits, if any, derived from the extension will be at your institution only.

Is there anything special that we should do for multi-campus systems?

Multi-campus systems can use what is called a parent DUNS number to aggregate information for the system as a whole. The main campus will need to be assigned a DUNS number. Then each satellite campus will need to reference the main campus DUNS number as their parent DUNS when obtaining their own DUNS number. For NIH grantees, if each campus submits grant applications as a unique grantee organization, then each campus needs to obtain their own DUNS number.

What should we do if our institution has more than 1 DUNS number?

Your institution will need to decide which DUNS number to use for grant application purposes and use only that number.

Are there any exceptions to the new DUNS number rules?

Individuals who would personally receive a grant or cooperative agreement award from the Federal government apart from any business or non-profit organization they may operate are exempt from this requirement.

Who at my institution is responsible for requesting a DUNS number?

This will vary from institution to institution. This should be done by someone knowledgeable about the entire structure of your institution and who has the authority to make such decisions. Typically, this request would come from the finance/accounting department or some other department that conducts business with a large cross section of the institution.

We are an organization new to Federal grant funding so we obviously need a DUNS number. But we don't want to be included in any marketing list. What can we do?

Inclusion on a D&B marketing list is optional. If you do not want your name/organization included on this marketing list, request to be de-listed from D&B's marketing file when you are speaking with a D&B representative during your DUNS number telephone application.

Who do we contact if we have questions?

If you have questions about applying for a DUNS number, contact the Dun & Bradstreet special phone number 1-866-705-5771. If you have questions concerning this new Federal-wide requirement, contact Sandra Swab, Office of Federal Financial Management, 202-395-3993 or via e-mail at sswab@omb.eop.gov.

12. Substitute Form W-9 Submission and My Florida Marketplace (MFMP) Registration

For the purpose of this Agreement, a Subrecipient is also a Vendor. The State of Florida requires vendors doing business with the State to submit a Substitute Form W-9. The purpose of a Form W-9 is to provide a Federal Taxpayer Identification Number (TIN), official entity name, a business designation (sole proprietorship, corporation, partnership, etc.), and other taxpayer information to the State. Submission of a Form W-9 ensures that the State's vendor records and Form 1099 reporting are accurate. Due to specific State of Florida requirements, the State will not accept the Internal Revenue Service Form W-9.

Effective March 5, 2012, State of Florida agencies will not be permitted to place orders for goods and services or make payments to any vendor that does not have a verified Substitute W-9 on file with the Department of Financial Services. Vendors are required to register and submit a Form W-9 on the State's Vendor Website at <https://flivendor.myfloridacfo.com>.

Subrecipient must register with My Florida Marketplace utilizing myfloridamarketplace.com website concurrent with the execution of this agreement. Registration must be complete prior to returning this agreement to FDEM for execution.

13. Small, Women Owned and Minority Owned Businesses

2 CFR 200.321 requires a non-Federal entity take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. These affirmative steps must include:

- (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
- (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- (6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.

It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:¹

**Appendix II to Part 200—Contract Provisions for Non-Federal Entity
Contracts Under Federal Awards**

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the

Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or Sub-recipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
