SUBJ: **Installation of "No Parking" Signs on Oliver Twist Way**

A concerned citizen has requested that "No Parking" signs be established on the west side of Oliver Twist Way from Water Spring Boulevard and extending south 500 feet.

The request for parking restrictions is to address pedestrian safety incidences and hazardous driving conditions caused by vehicles parking on the west side of the road. Additionally, Orange County Public Schools has raised concerns about school buses having access on and off campus as several parent drivers park on Oliver Twist Way and block access for the buses to get to and from the school on-time.

Staff recommends that the Board approve the installation of "No Parking" signs on the west side of Oliver Twist Way from Water Spring Boulevard and extending south 500 feet.

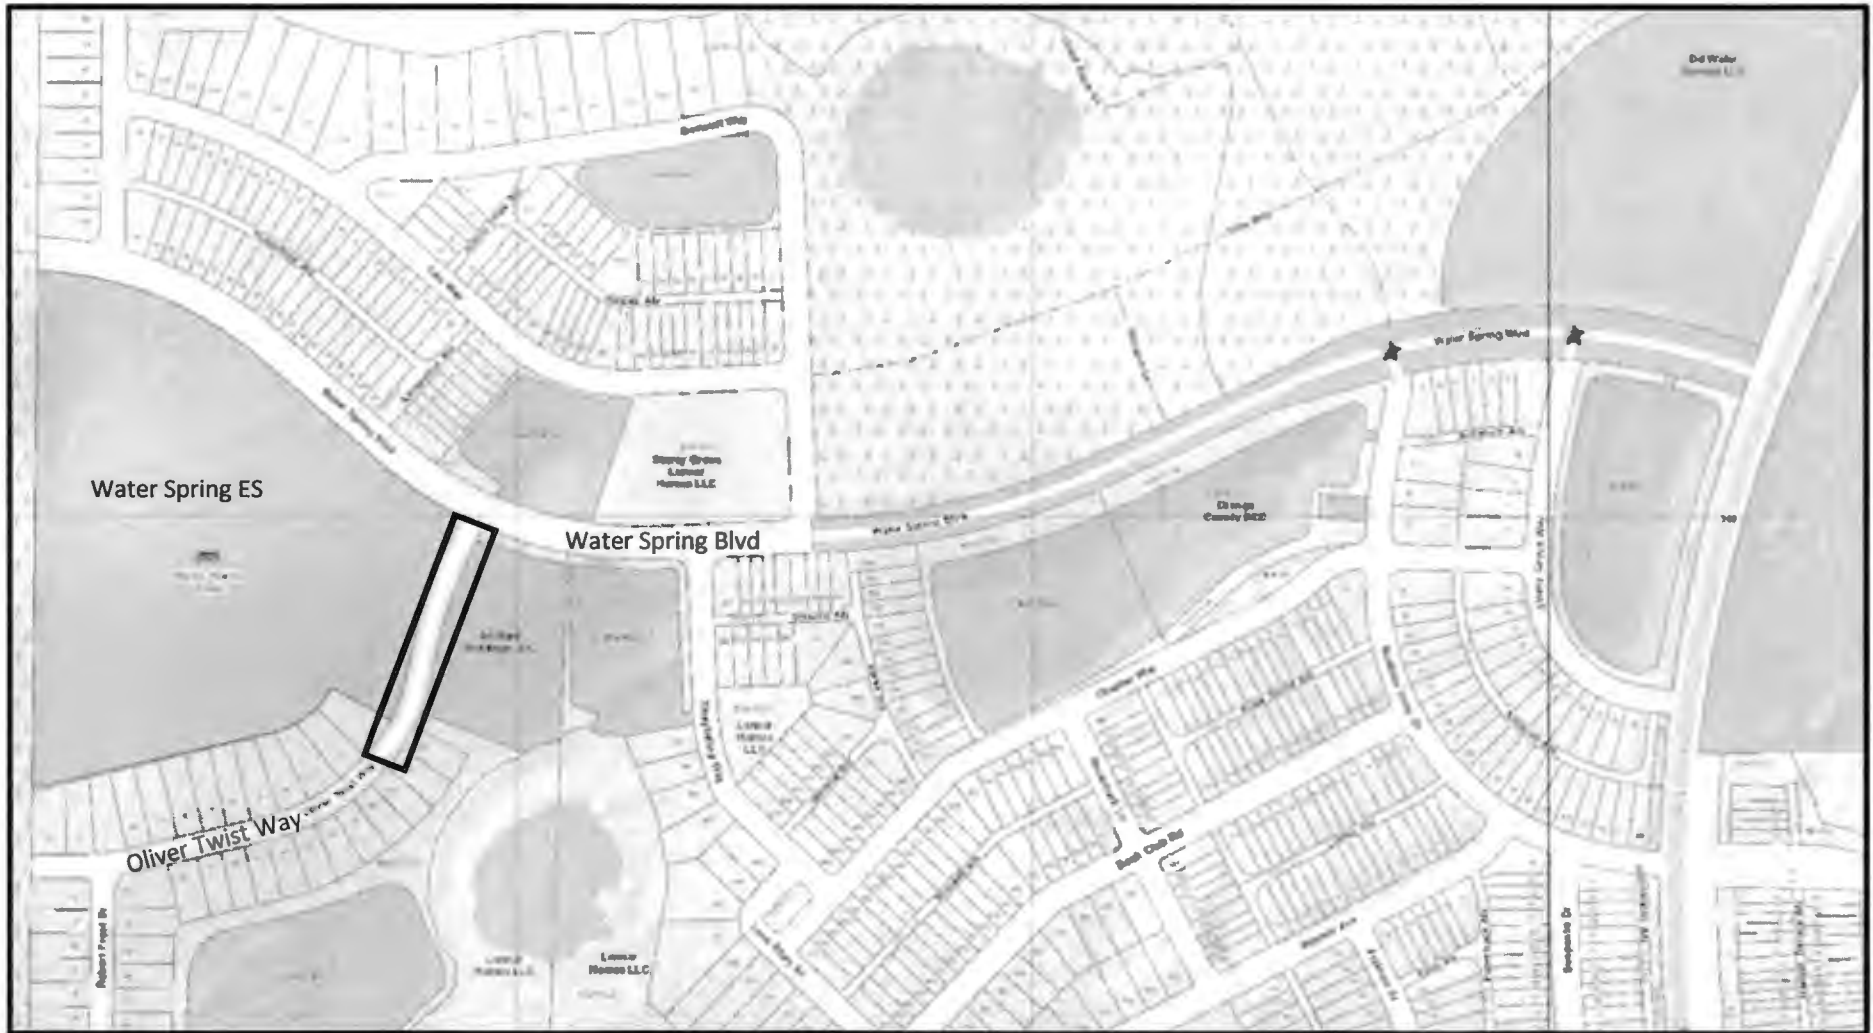

Action Requested: Approval of "No Parking" signs installation on Oliver Twist Way. District 1.
